Magic Mood:

35 mm

foreword . . .

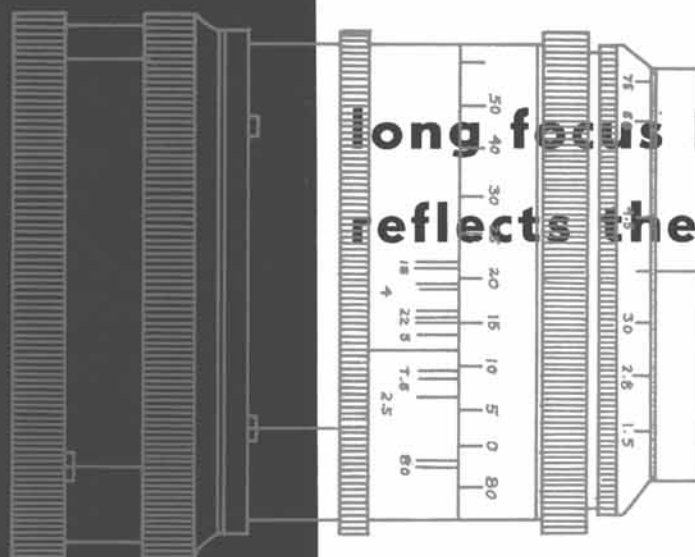

How many things, objects, people, or situations do we remember as sharp, distinct images? None, 35 mm—the magic mood is another extension of our own private thinking. Since early 1930 and the first "candid" camera we have come to live with an instrument that captures and holds for us a thin slice of life just as we lived it and more important as we remember it—with all the effects of retrospective falsification and imperfect recall.

This is why 35mm—the magic mood—was chosen for this year's TENNESSEAN to capture the intimate, candid, unposed, and sometimes fuzzy miniature microcosms of life on this campus.

To capture the mood and reflections of this campus world, we used the wide angle lens for the angle of the whole University family activity. This was our point of view, in the effort to capture the exact instant of something memorable and present something of the campus mood. By contrast we used a long focus lens to show the texture, weave, and composition of our administration and faculty, and for impact the telephoto lens zoomed us beside our competing athletes where we can feel the strain of contest and almost smell the odor of battle.

The composition, framing point of view of the entire presentation, is designed to relive and refresh our emotional recollection of feelings, impressions, and images captured during this school year.

dedication

Literally and figuratively our own "Veep" is a man of many gestures. He is also a good mathematician, a wonderful teacher, a reliable friend, an earnest counselor, and an excellent subject for the magic mood of 35 millimeter. For these, and many more, reasons, the 1960 TENNESSEAN is lovingly dedicated to a dedicated person—Alger Vernon Boswell.

the governor

Tennessee's new governor, Buford Ellington, is no stranger to A. and I.'s faculty and students as he has been a regular visitor to the campus over the years as a speaker and as a tourist about the campus farm area.

We welcome this opportunity to wish him God-speed in his gubernatorial term of office.

THE HONORABLE BUFORD ELLINGTON
Governor of the State of Tennessee

president of tennessee state university

We attribute the successful attainment of the University's full membership in the Southern Association of Secondary Schools to the Administrative excellence of our top "Fifteen Year Club" member, Dr. W. S. Davis. During his mentorship as president of Tennessee State there have been great strides made and enormous plateaus reached by the University. Of great enormity was the granting of full-fledged land grant

university status to Tennessee State making ours the youngest of the land-grant universities.

We take great pride in the heritage given to us by our University forefathers and are prouder still of our stature gained under the dynamic leadership of the man we affectionately call "prexy."

DR. A. V. BOSWELL

"Mr. A. & I.," Dr. Alger V. Boswell, Vice President of Tennessee State University seems an institution unto himself. If not an institution, then one of the strongest pillars this institution has ever known. He is as much a part of Tennessee State University as any permanent building on campus and one expects to see him around always.

Dr. Boswell is easy to know and of the many alumni of the University he is remembered by some as Coach, others as Treasurer, and still others as Dean. He is remembered by all as all-around fellow with a delightful personality to match.

vice president

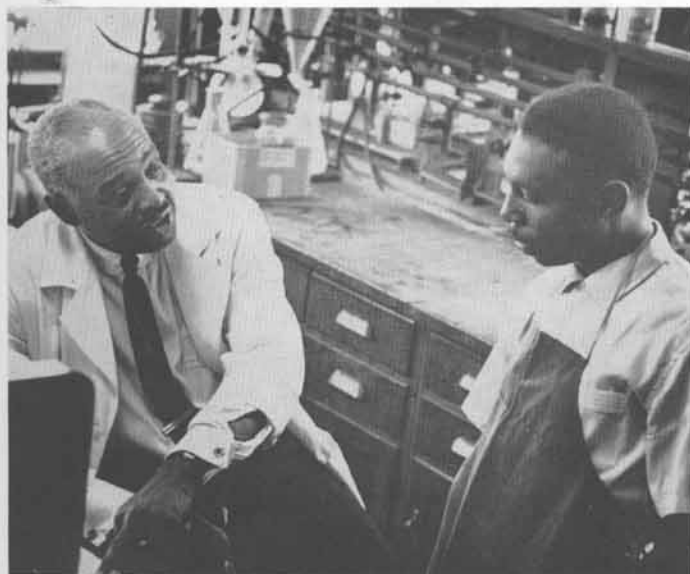

The job is new; the man is not. Everybody knows Dr. Carl M. Hill, chemist-extraordinaire and School of Arts and Sciences head who was chosen to serve as the faculty dean while carrying out his other duties as well.

Wishes for his success in this new responsibility are in order for this nature lover and man of many and varied talents. A lesser man might break under the strain but the prediction for Dr. Carl M. Hill is that he will make the job look easy and carry it off without a hitch.

campus visitors

On a strictly business visit to the campus AFROTC unit in January were visitors from Headquarters Maxwell AFB Lieutenant Colonels Charles Morat and Charles Callis. The Montgomery, Alabama inspection team members and their companions are (l. to r.) Lt. Col. Morat, C/Maj. Antonio J. Simmons, Lt. Col. Callis, and Major Claude M. Dixon.

Touring Tennessee State's campus in July was Japanese visitor Hisatoki Kuroki (center) of Tokyo's Kyodo News Service. Dr. Virginia Nyabongo and Dr. Malcom Williams are with him.

Architectural Engineering department head L. Quincy Jackson and Nashville architect Calvin McKissack share a joke with Haiti's Secretary of State For Education Father Jean Baptiste Georges, a visitor to Nashville and the campus during the summer months.

Typical of the beauties who visit the campus is Memphis' Sara Ann Murrell (right) "Miss Bronze Queen" for 1958. Alva Jamison (left) conducted the pretty visitor on a campus and city-wide tour.

Tuskegee Institute's William E. Boone (center, facing camera) and some of his students from the Alabama institution's printing department lived on Tennessee State's campus during a two-day field trip to Nashville's publishing houses. Gilbert K. Pleasant (foreground) points out some interesting facts about Tennessee State's printing equipment.

alpha kappa alpha sorority

AKA

Alpha Psi Chapter of Alpha Kappa Alpha Sorority feels proud to belong as a link to such an organization. From the date of founding on January 16, 1908 at Howard University, the Sorority has put forth efforts to improve the status of womanhood, promote unity and friendship among college women and encourage high scholastic and ethical standards.

Alpha Psi Chapter has sponsored numerous programs which have been in an effort to enhance our campus society. Some of our annual projects are the Rush Party for freshmen women, Founders' Day, Quiet Hour, Sunday School, Hospitality night and remembering the less fortunate at Thanksgiving and Christmas.

Alpha Psi again feels proud to have sorors taking part in many campus activities. Last year on Awards Day, we were honored to have received the scholarship cup coming from Alpha Kappa Mu Honor Society.

January 16, 1958 marked the 50th year of Alpha Kappa Alpha Sorority. Alpha Psi along with Pi Chapter from Fisk and Alpha Delta Omega, the graduate Chapter celebrated this occasion gloriously.

It is our desire to continue worthwhile service so as to improve mankind in all respects.

Ever aware of the magnetic appeal of our motto, "First of all, servants of all, we shall transcend all," it has been an endeavor of Alpha Phi Alpha to make this axiomatic truth a living reality. Further, the chapter has always held as its most influential attributes, manly deeds, scholarship and love for all mankind.

In the light of scholarship, the brothers have originated three forwarding projects: (1) an annual education program (2) a citizenship award to the faculty member whose service to the community has been most significant, and (3) an annual scholarship award to the freshman young lady with the highest accumulative average.

Furthering Alpha Phi Alpha aims, Sunday School, Quiet Hour Programs, and other affairs which tend to promote the well-roundedness of the individual are actively supported.

Beta Omicron has distinguished itself by winning the National Alpha Phi Alpha Achievement Cup as the most outstanding undergraduate chapter in Alphadom.

The Alpha Phi Alpha Fraternity has developed an innate pride in working toward the general good of the University community as well as toward the personal uplift of each brother.

delta sigma theta sorority

ΔΣΘ

The Delta Sigma Theta Sorority was founded at Howard University, Washington, D. C., in 1913. The purposes of the sorority have made it outstanding through the years. These purposes are to encourage high cultural and scholastic standards, and to lift the ideal of finer womanhood.

Many philanthropic projects are conducted by Delta Sigma Theta annually. These projects include the giving of scholarships and job opportunities.

Since founded on this campus in 1936, Alpha Chi has grown tremendously. Alpha Chi sorors are fine examples of the kind of women which Delta Sigma Theta are known for. Two of these sorors which we proudly salute are Soror La Rita Yvonne White "Miss Tennessee State University," 1957-58, and Soror Henri Alice Lowery, "Miss Tennessee State University," 1958-59.

Among the chapter's activities throughout the year are the Annual Rush Party given for the freshmen women and new students, "The Delta Kiddie Party," Quiet Hour, and Sunday School Programs.

omega psi phi fraternity

Dwelling upon the belief that a well developed man must possess four major principles; manhood, scholarship, perseverance, and uplift, Omega Psi Phi Fraternity was founded on November 17, 1911, at Howard University in Washington, D. C. The Fraternity founded by Edgar A. Love, Oscar J. Cooper, Frank Coleman and Earnest Just, shall live on and on as a glowing symbol for men who pledge themselves to such principles.

The founders of Omega Psi Phi Fraternity dreamed and trusted that one day it would become a national organization, and it is with much pride and joy that the Omegas make it known that the dreams of these great men were not in vain. Today, there are more than twenty-five thousand men who believe and stress the ideals of Omega as brother and are living up to the Four Cardinal Principles.

As members of the Rho Psi Chapter, we are yet walking in the shadows of our founders, proudly facing the future as we have faced the past. For we now salute the future, stressing brotherhood of college and race, and the eternal brotherhood of man.

Sigma Gamma Rho Sorority was organized November 12, 1922 in Indianapolis, Indiana, by Mary Lou Allison Garden. The Sorority was incorporated as a National Collegiate Sorority, November 30, 1932. The First Chapter Alpha Beta, had its Chapter at Butler University, Indianapolis, Indiana. The first call for a National Boule was sent out by Soror Allison to be held at Indianapolis, December 22nd to 29th, 1952. Since that time, many Boules have been held.

The first Southern Regional Conference was held in May, 1938 at A & I State College, Nashville, Tennessee. Slowly but surely Sigma Gamma Rho has grown, and we are proud to boast of the fact that we are the youngest National Collegiate Sorority.

The National Project of the sorority, "The Sigma Teen-Town," was created to aid Negro Youth and to aid in the prevention of delinquency.

state gridmen suffer worst season in years

Nashville, Tenn., Nov. 10.—Head coach, Howard Gentry, used every trick-of-the-trade in an effort to maintain the outstanding position in football that has prevailed throughout the history of Tennessee State University.

Harassed with numerous injuries, only five returning seniors and a lack of overall experience within the ranks, the Tigers struggled through with a season's record of 4 wins and 4 defeats. The losses came at the hands of four of the top teams in the nation.

After downing a strong North Carolina A and T team 23-6, the Tigers kicked-off the home season by clawing Morris Brown 32-6 before the largest hometown opening crowd, 5,000 strong, in modern Tennessee State history. After this short taste of success, the Tigers fell to a powerful Grambling eleven 7-6 before a crowd of 9,000 enthusiasts.

Coach Gentry's boys then came back to crush Central State College 20-6 before dropping the season's thriller to

Southern University before a capacity house in W. J. Hale Stadium 23-14. Then followed the defeats at the hands of Lincoln University and Jackson College 24-12 and 18-13 respectively. The Tigers rallied back to strangle Kentucky State College for a homecoming victory 19-6.

Highlighting the faltering Tennessee team was Gentry's defensive forward wall of Bennie Clay, Calvin Sorrells and Fred Metcalfe who kept the opponents in constant danger. This trio, along with the rest of the defensive team, continually kept the Tigers in game.

Having little success on offense, The Tigers were spear-headed by senior co-captain Wilbur Suesberry. Gaining recognition on several All-America polls, the Tiger quarterback led the team in four departments. Halfbacks Billy Bentley and Andrew Earthman sparked the team in rushing and pass-receiving respectively.

The 1958-59 Basketball Tigers.

Tennessee's hardwood artists ended a great season by winning an unheard of third straight NAIA National Cage crown before 9,000 "well-show-me" fans.

For the season the Tigers impressively downed 32 opponents, losing only one, while capturing first place victories in five tournaments—Georgia Invitational, Quincy College Holiday Invitational, Mid-Western Conference, South-Central NAIA Tipoff and the NAIA National at Kansas City, Mo. Dubbed "pressure proof" by local scribes in the Kansas City area during that city's NAIA dribble derby, the last of the Whiz Kids topped 3 team tourney records and Dick "Skull" Barnett became the all-time scoring leader besides being named the tourney's most valuable player and gathering his second straight Chuck Taylor trophy. The fabulous "Skull" ended his college career by being named to the all-tourney team for the third consecutive year.

Aided by the well-wishes of Tennessee's Governor, legislators and the university family, the Tigers set many records—scoring 150 points against Knoxville College for a school record in regular season play; setting an unofficial highest percentage of 70.5 in the semi-finals (NAIA); most consecutive games (15) and most points in a single NAIA game (131). The Whiz Kids were the first collegians to win three consecutive NAIA championships. The Whiz Kids, paced by the "Skull" were superb all season. Barnett scored 48 points in the Lincoln game for an individual regular season record, scoring 3,193 points for his four-year collegiate career and 963 points this season. He is the all-time NAIA scoring champion with 462 points for a career tournament score. Captain John Barnhill and Dick Barnett were named to the NAIA All-Tournament team. The Tigers led the UPI ratings as the number one small college in the nation for eleven weeks, and were ranked sixteenth among all collegians in the nation at the end of the season. Dick "Skull" Barnett was named to the AP and UPI first team All-American. A GREAT YEAR FOR THE TIGERS.

tigerbelles retain world status

Eyes of the track world turned to Moscow to witness America's quest for world domination in women's track. Contributing heavily to America's hopes was a small aggregate of young ladies from a small campus bordering the Cumberland River.

Coached by one of the rising figures in collegiate track, Edward S. Temple, the Tigerbelles defied the skeptics, who prophesied utter defeat for the U. S. Cinderbelles, to capture four of ten first places. Running before more than a half-million spectators, Tigerbelle Barbara Jones nipped the 100 meter pack with a 11.6 in a race where two crossed the tape in exactly the same time. Isabelle Daniels took third.

Lucinda Williams took the 200 in 24.4 with Daniels third with a 24.5, and the Tigerbelle relay team, Daniels, Williams, Matthews, and Jones, annexed the 400 meter relay that accounted for the Tigerbelles' efforts against the strongest competition in the world today.

Leaving Russia, the Tigerbelles bossed the 100, 200, 400, meter relays and broadjump in Poland, Hungary and Greece winning hundreds of friends in the State Department AAU sponsored goodwill tour.

WASHINGTON

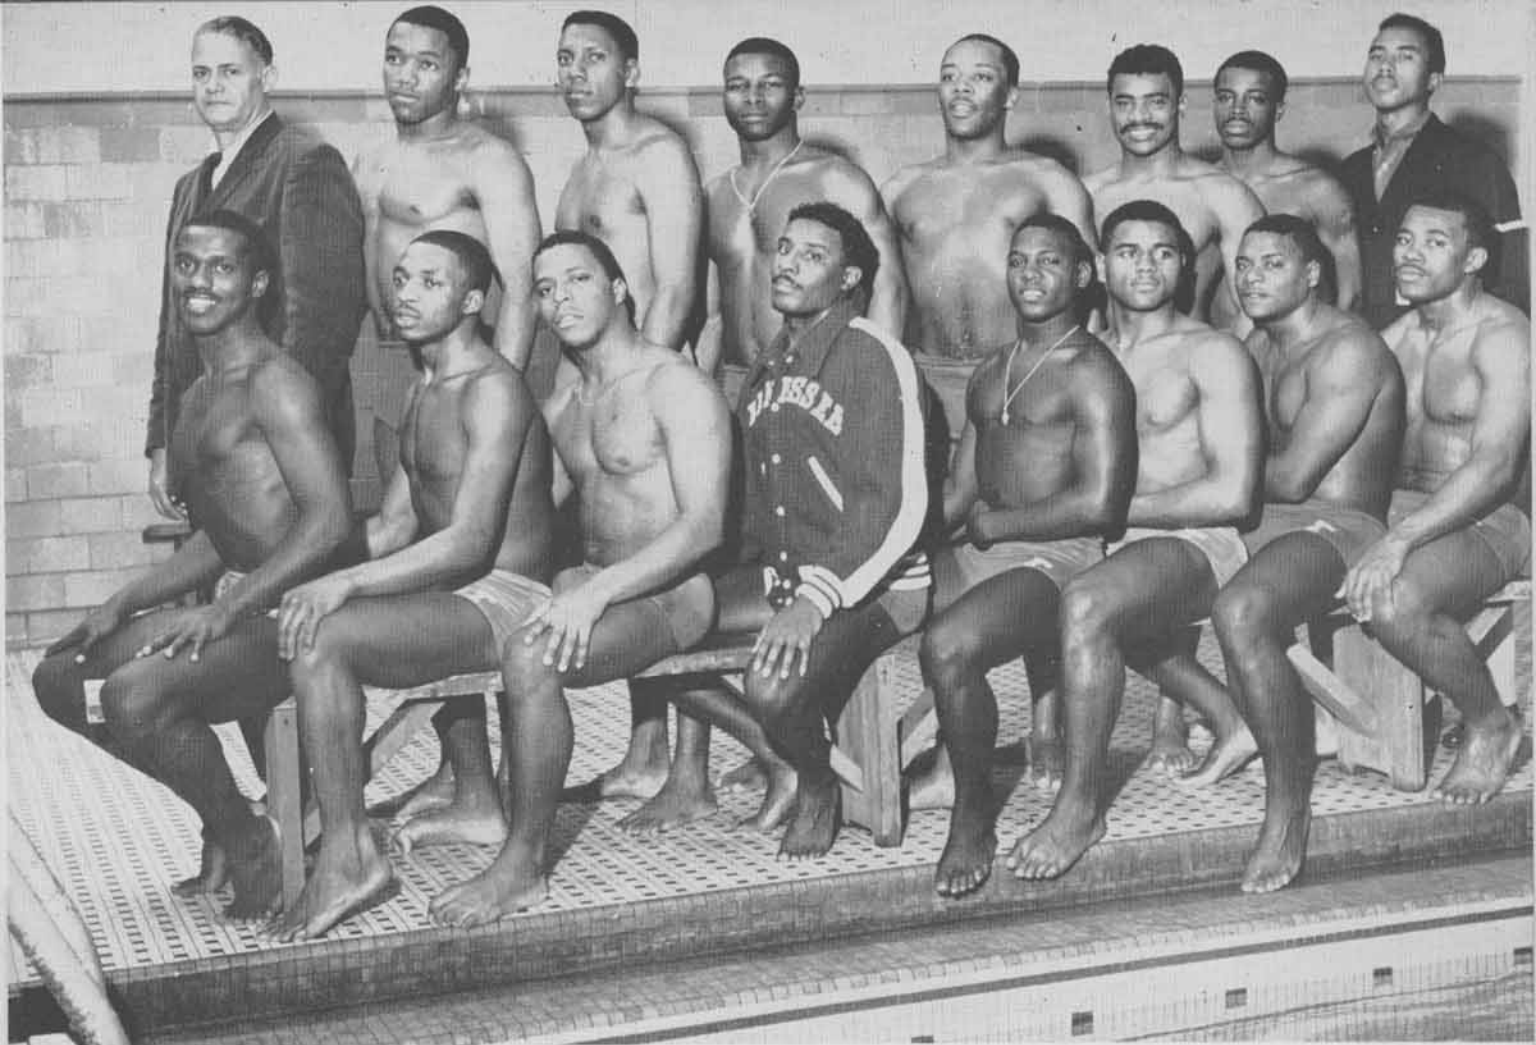

Traveling to Washington, D. C., the Tigerbelles displayed great form in running away with the lion's share of laurels in the national Women's AAU indoor track championship. The Tennesseans rolled up 61½ points while their strongest competitors were New York's Queen Mercurettes and Police Athletic League each scoring 18.

It was A & I's fifth straight indoor AAU team title. The Tigerbelles also have won the last four times in the summer AAU outdoors meets. First place wins for the Tigerbelles came in the 50, 100 and 220-yard dashes, 70-yard hurdles, standing broad jump and 400-yard medley relay competition, plus lesser awards in other events.

COACH THOMAS H. "FRIEND" HUGHES

Forced into a rebuilding program through losses by graduation, Coach Thomas Hughes' 1959 Tigersharks worked insatiably to shape-up a team that smashed eight pool records in a single dual meet.

Sparked this season by returning letterman and NAIA 200 yard butterfly champion, John Swann, the Tennessee tankmen ended the regular season with a nifty 4-1 record. Freshman, Roland Chatman, quickly rose to prominence by repeatedly capturing the 220 and 440 yard free style events cracking two pool records in one meet.

The Tigersharks began the season by routing West Virginia State 67-15, grabbing off seven of nine first places. Then traveling to Kentucky, the tankmen overwhelmed Berea

College 62-24 splashing two new pool records. Ball State College snapped the Tiger win streak in a nip-and-tuck battle 47-39.

Rebounding from their lone defeat, Coach Hughes' wave-beaters again swamped West Virginia State 61-14 before a packed opening home-season crowd. The Tigersharks rounded out their regular season by traveling to Atlanta only to break eight pool records in a recently opened pool and polishing off Moorehouse College 64-25, but post-season NAIA laurels were not in the making for them this year.

The 1958-59 Tiger Thinclads.

In recent years Tennessee State's men's track team has emerged as a perpetual danger to all foes. Through the unyielding efforts of coach Ray Kemp, the Tigerclads have persistently developed into collegiate prominence.

The Tigers highlighted the season's action by winning their second consecutive Mid-West Athletic association track and field championship with a total of 58½ points. The closest opponent was Lincoln (Mo.) with 56½. Returning to the Drake Relays, coach Kemp's boys walked away with two championships. First, the quarter-mile relay team ran a dazzling 41.7 seconds. The same team of Tom Torian, Vero West, Ed Adams, and John Moon returned later to amaze the spectators by shattering the meet record in 1:25.6.

Before the Tigerclads were truly recognized by the track world, coach Kemp had realized that he was working with two possible Olympic stars, Ralph Boston, and John Moon have consistent displayed unusual form on the cinders. Moon is a dash-man and has been clocked at 9.3 in the century in practice. Boston has repeatedly mastered the field events and "is a potential decathlon performer," stated coach Kemp.

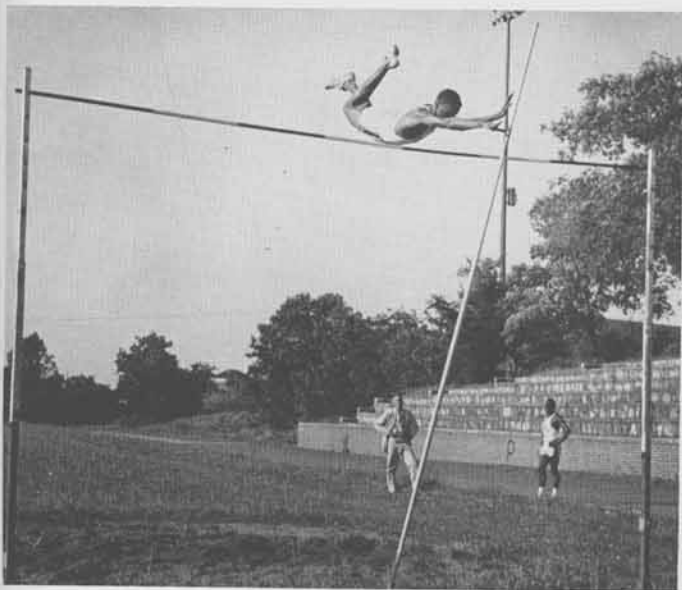

Traveling to Montgomery the cinderburners dethroned Florida A&M as Alabama State relays champion. The Tigers won the 14th annual track carnival with 66 points to runnerup A&M's 57. Alcorn and Jackson colleges also felt the fangs of the Tigerclads in a tri-angular meet in which the boys from Tennessee amassed a total of 98½ points.

Running up a total of 93½ points, the Kemp-wonders snatched an exciting win from Kentucky State and Central State; the former getting 21½ points and the latter 46¼. Moon received invitations to the NAIA track and field meet in San Diego, and the National AAU track and field championships at Bakersfield, California, and performed well though unable to grab-off a first place.

In facing its strongest schedule in years, the fighting Tennis team proved itself worthy to stand among the great athletic teams at Tennessee State University.

Traveling to Wilberforce, Ohio, the racqueteers teamed to take their second consecutive Mid-Western Championship. Mahlon Moore up-seated a strong Ralph Churchwell 6-3, 8-6, and 6-2 to win the singles. Later, Moore and Churchwell combined to defeat Lincoln University of Missouri in the doubles.

In regular season's play, Coach Ronald Harris' racquetmen captured a triangular meet from Kentucky State and Lincoln in a closely fought game. Following this, A&I's clay-court-wonders stopped in Muncie, Indiana long enough to defeat Ball State College 5 matches to 2.

After this sweet smell of success, the racqueteers barely salvaged a 2-2 tie with Notre Dame University. Defeat finally came to coach Harris' boys at the hands of a powerful Kalamazoo College.

NASHVILLE Hampered incessantly by nature's most prominent precipitation, the Tennessee State Baseballers managed to survive season play with a healthy record of 7 wins and 5 losses.

Behind the mentorship of Coach Raymond Whitmon, the diamonders, despite being forced to cancel many of its regularly scheduled games, exhibited sparks of unusual adeptness in enjoying one of its better seasons.

Leading this year's attack, sophomore pitcher Andy Earthman highlighted his season's performance with a one-hit shut-out against Morehouse College. The small righthander repeatedly sparked the mound staff to add depth to the A & I defensive wall.

Enjoying the advantages of two returning senior swatters, Coach Whitmon found himself constantly forced to rely on newcomers to the squad. Along with senior long-ball hitter Earl Mimms, the diamonders' power was supported by stand-outs Charles Rigby, John Wood, Paul Carney, Leon Jamison, and Sam Bowen.

In November a large contingent of Tennessee Staters converged on the State of Mississippi for the chief purpose of attending the Jackson College-Tennessee State football game. The band, majorettes, cheerleaders, drill team, Angel Flight, Miss Tennessee State and her court, Student Council president, as well as President Davis and a host of chaperons, photographers, and the like made the trip. They traveled by bus, plane, and automobile. Tennessee lost the game but the gang had a lot of fun on the way there, in Mississippi, and on the way back. Here, then, is a pictorial review of Tennessee's trip to Mississippi.
