# EVERYWHERE YOU GO AT TENNESSEE STATE UNIVERSITY EVERYWHERE YOU GO AT TENNESSEE STATE UNIVERSITY EVERYWHERE YOU GO AT TENNESSEE STATE UNIVERSITY EVERYWHERE YOU GO AT TENNESSEE STATE UNIVERSITY

Everywhere you go at Tennessee State, there are dyed-in-the-wool living and breathing Tennessee State University people.

The campus is peopled with people of all descriptions. Their personalities are as varied as the descriptions to which they answer. They hail from hometowns large and small, from communities urban and rural, from families wealthy and not so wealthy. They come from near and far. They are lovers of nature, music and the arts, the sciences, the humanities, mechanics, administrative excellence, space travel, home-making, farm life and what have you. The people at Tennessee State are lovers of many varied things and indulge themselves in many varied activities but they all, faculty members and students alike, share a common pride—the pride of our campus—of being a part of it, of having a hand in its development and progress.

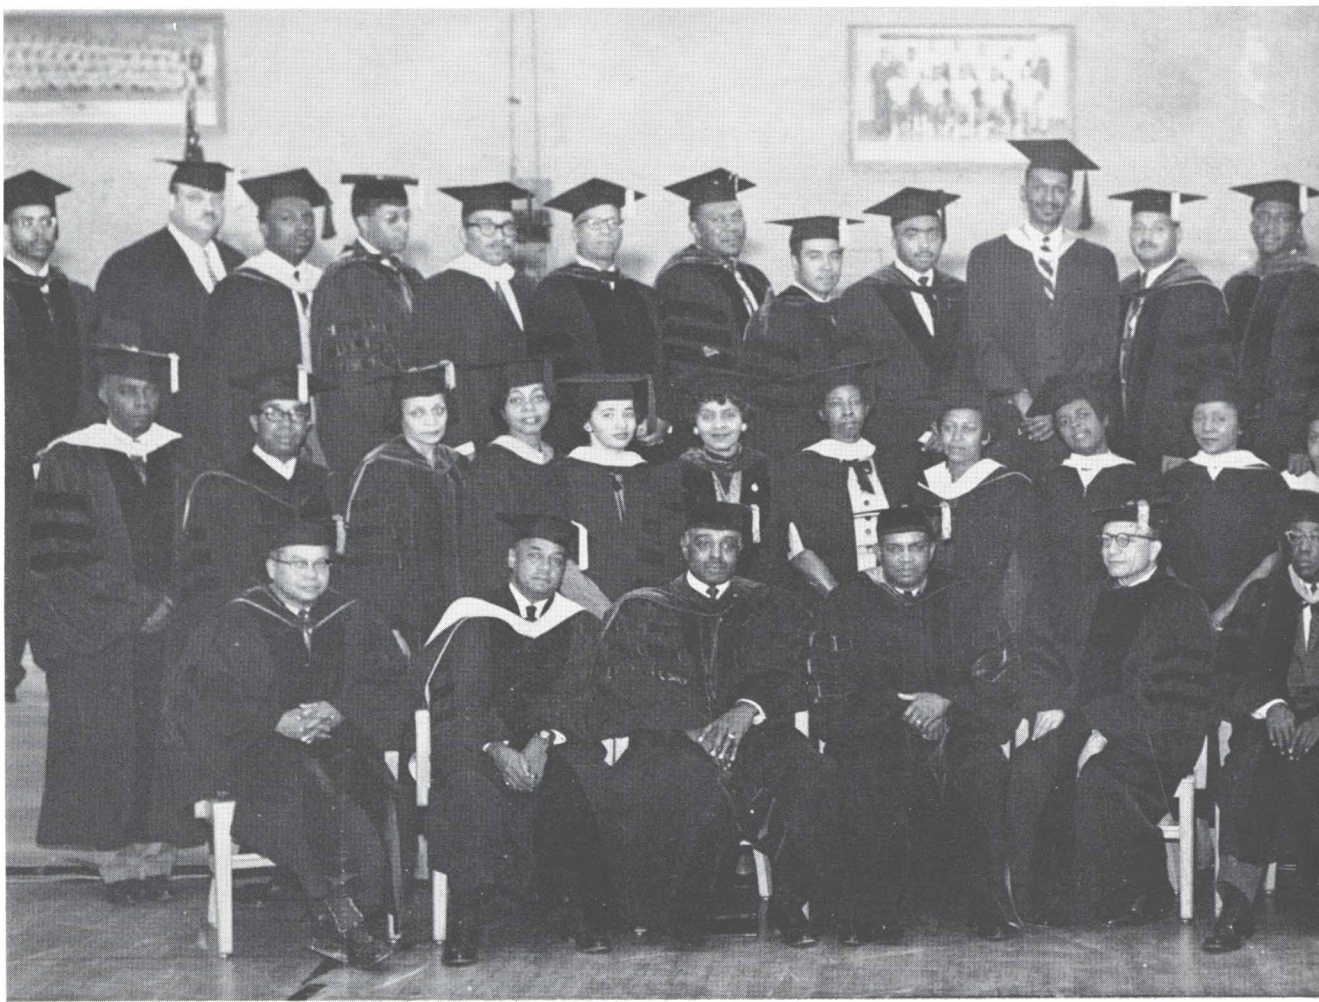

The 1960 TENNESSEAN takes you everywhere on campus that all the people go. It takes all of the Tennessee State people, themselves, over the spots they have been many times before.

Turn the pages and pictorially live again the moments of Tennessee State University 1959-60—a recollection of the immediate past, everywhere you have been and everywhere you will go.

EVERYWHERE YOU GO AT TENNESSEE STATE A&

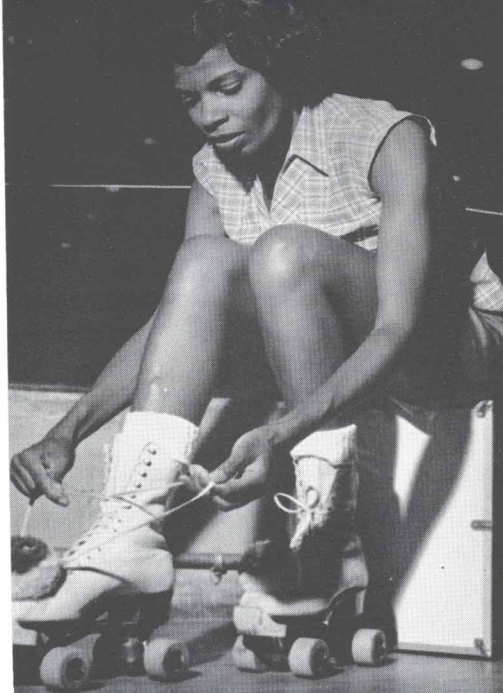

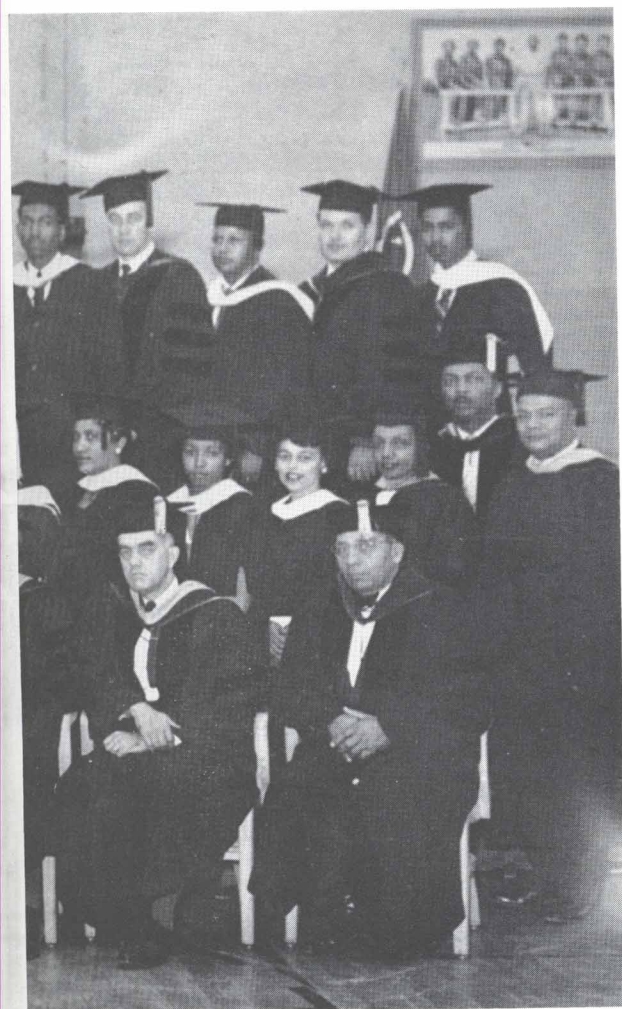

Meet the administration and faculty. Everywhere you go on Tennessee State's campus they appear... a well-rounded crew of well-trained open-minded people dedicated to the molding of young minds. The number of faculty members on campus grows in proportion to the growth of the student body year by year. Significant is the fact that the turnover in faculty employment is small. Our faculty members love Tennessee State University and everywhere you go on campus you will find proof of this love through observation of the various programs of work in which they indulge.

Through the pages of the 1960 TENNESSEAN you will meet the administration and the faculty. You will see samples of their work in picture form. You will have a lasting memento of your favorites among them.

EVERYWHERE YOU GO AT TENNESSEE STATE  
EVERYWHERE YOU GO AT TENNESSEE STATE

EVERYWHERE YOU GO AT TENNESSEE STATE

The crux of the whole situation—the student body. Students are everywhere. They dominate the classrooms, the organizations, the campus housing, the food service areas, the sidewalks, the lounges, the recreation areas, in short, they're everywhere you go.

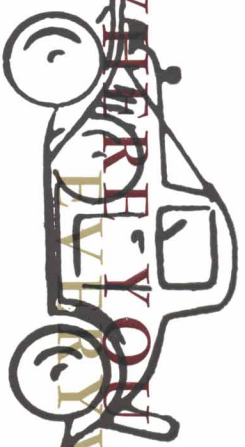

The 1960 TENNESSEAN is a view book of their activities and undertakings, the things they have done all year and will want to remember. It will serve as a thing of joy to behold as each picture is examined and exclaimed about.

In the years to come, the 1960 TENNESSEAN will serve as a memory book of happy times. And whether this thought has crossed their minds or not, everywhere you go at Tennessee State there will be students with their view books, their memory books, packing them for the trip back home.

EVERYWHERE

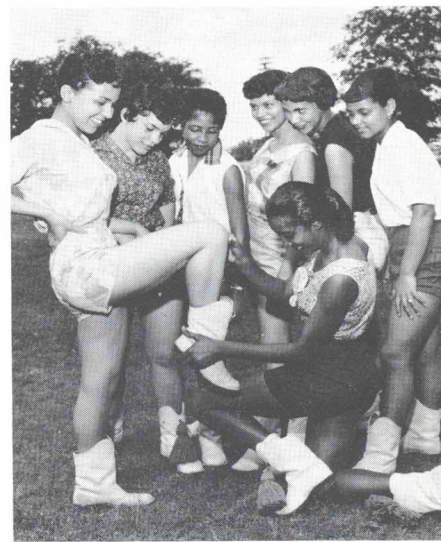

EVERYWHERE YOU GO AT  
EVERYWHERE YOU GO AT  
EVERYWHERE YOU GO AT

Plenty to see. Plenty to do. People to know. Places to go. The hustle and bustle of campus life includes the things you enjoy doing and the things you would prefer not to do but feel that you must do.

From the horse barn to the Education Building, from the Lawson Building to the Heating Plant—everywhere you go at Tennessee State there is this omnipresent thing called campus life. Enjoy it while you may.

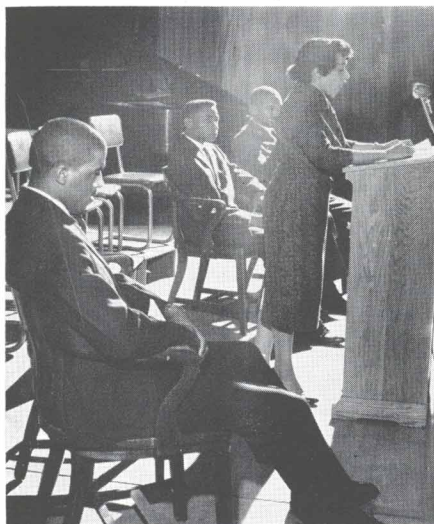

EVERYWHERE YOU GO AT TEN  
EVERYWHERE YOU GO  
EVERYWHERE YOU GO AT TE

Tennessee State University students are urged to take part in activities outside of the classroom. That is why everywhere you go at Tennessee State people are organizing into club groups or being initiated into already established organizations.

There is an organization on campus to suit every taste. There are religious clubs, social societies, departmental clubs, hometown clubs, dormitory councils, singing groups, instrumental music groups, and journalistic groups. Everybody is encouraged to take his pick and join with the belief that "all work and no play makes Jack a dull boy."

Students learn by doing in the organizations of their own choosing and they experience a much-needed sense of belonging.

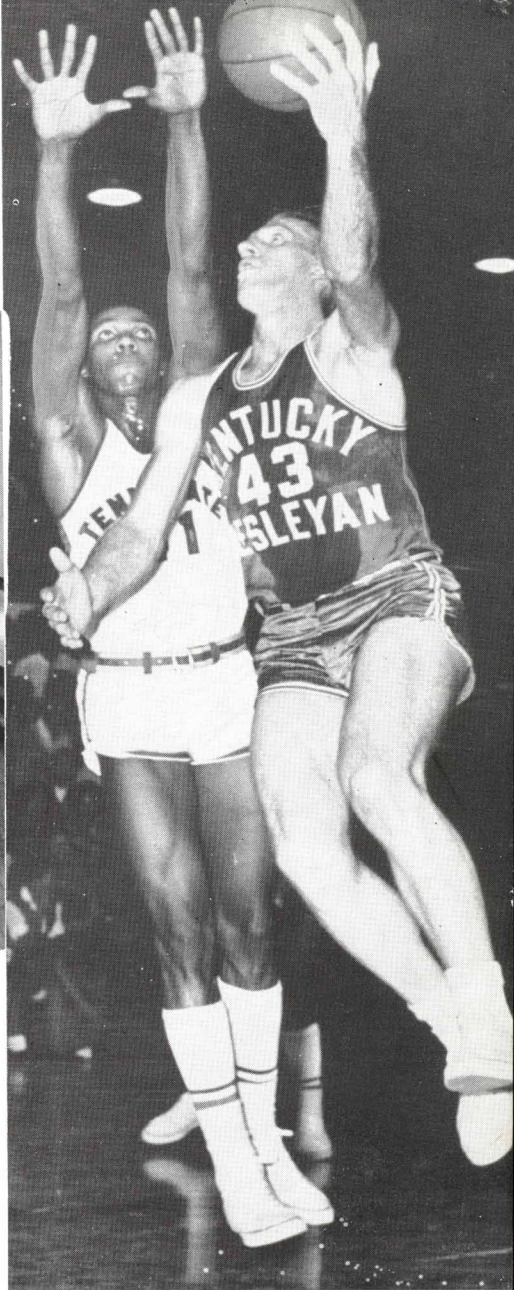

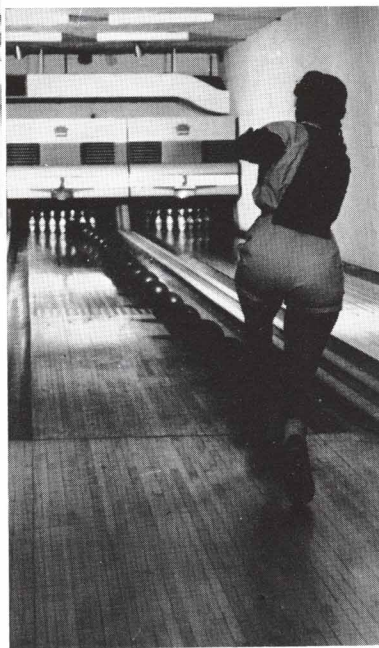

TENNESSEE STATE A&I UNIVERSITY

EVERYWHERE YOU GO AT TENNE  
EVERYWHERE

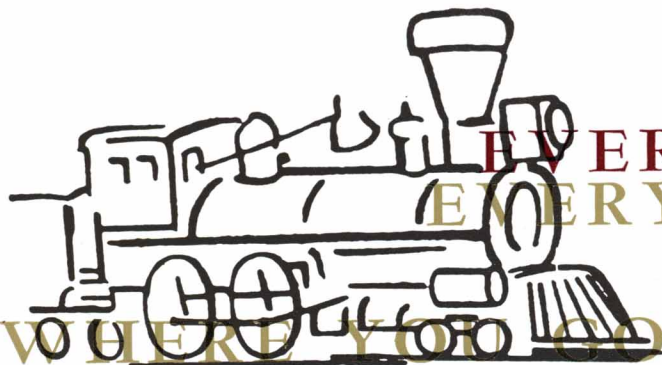

Everywhere you go at Tennessee State University, people are engaging in athletics.

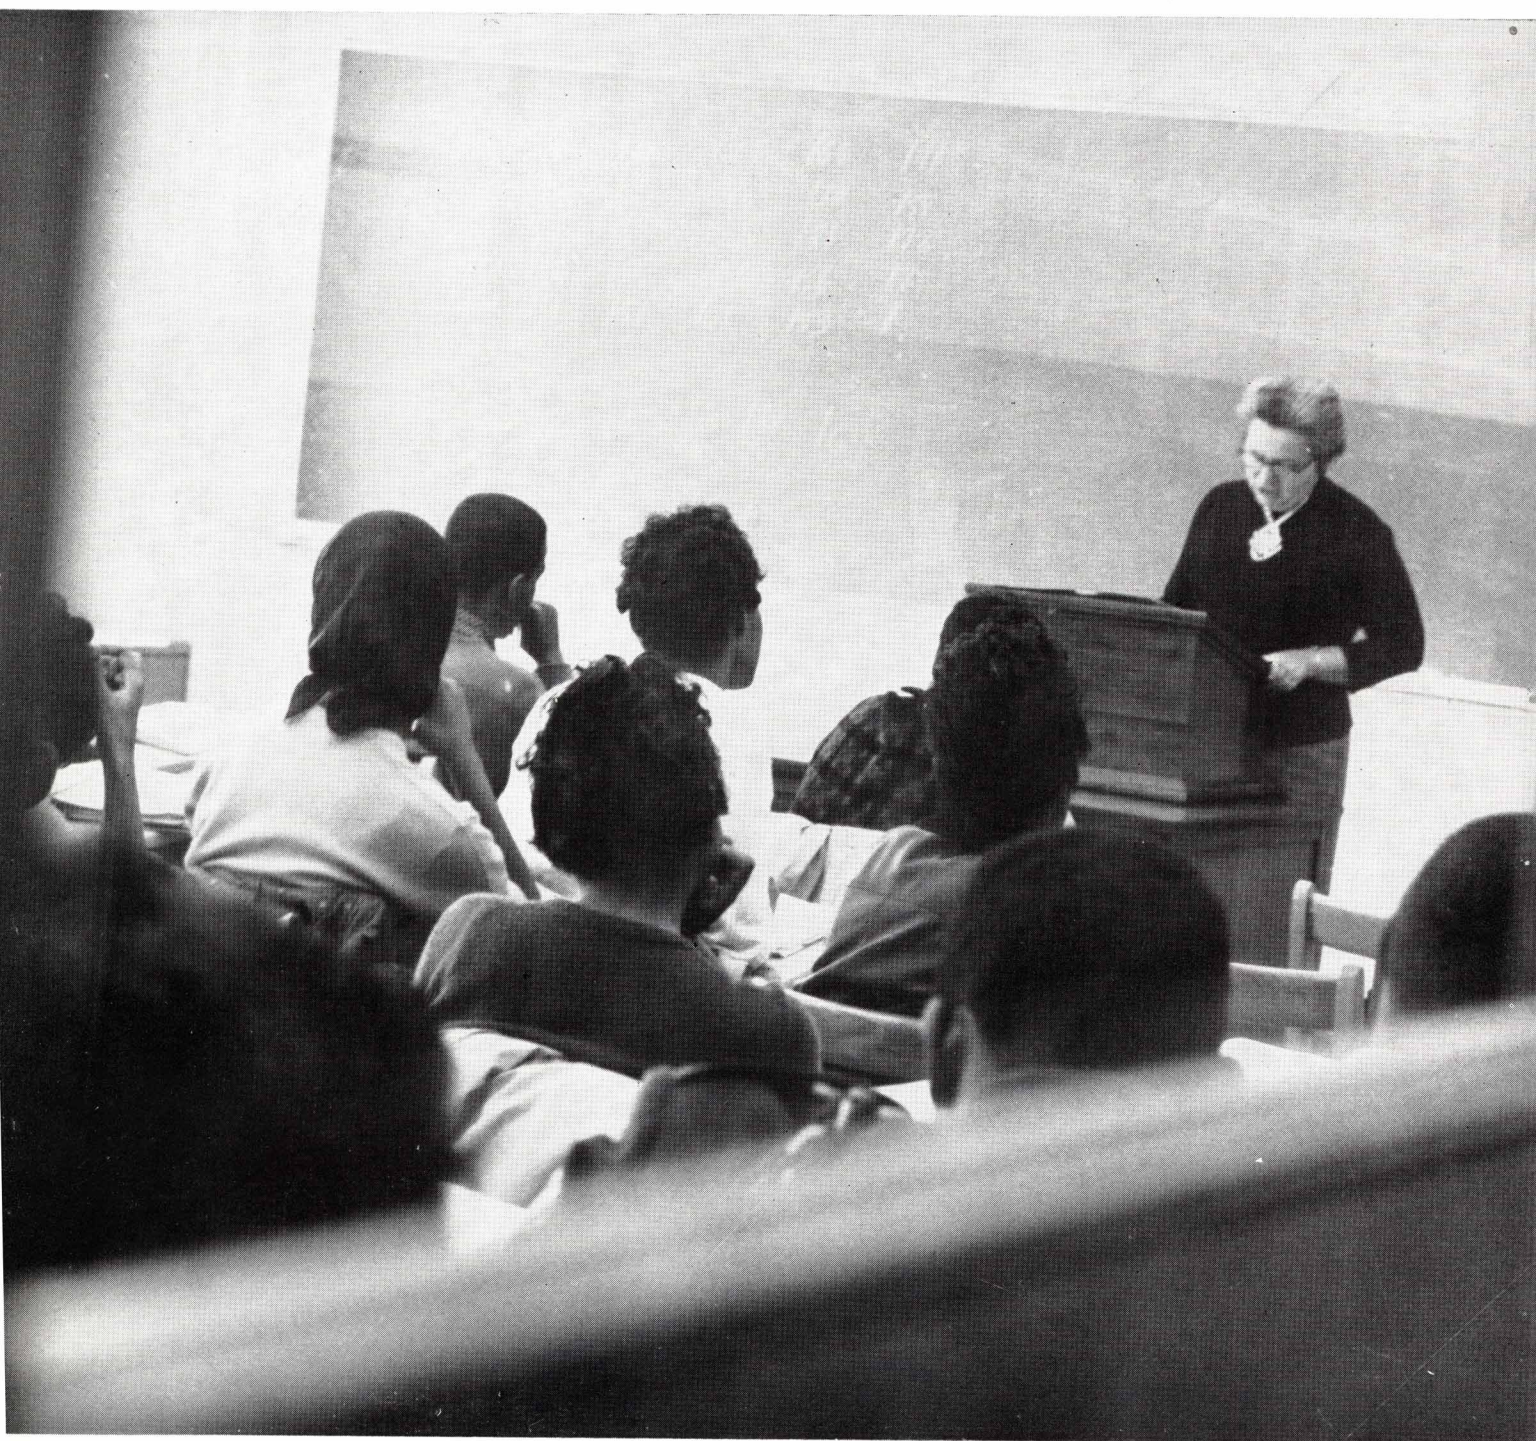

On the intercollegiate level Tennessee State continues to boast a championship football team. Its basketball Tigers are nationally known for the history-making feat of capturing the NAIA tournament championship for three consecutive years and bringing home the third place trophy this year. The Tigerbelles have made names for themselves in the Olympic meets as well as in the Russian-American dual track meets. The men's track team is composed of several individuals whose track and field accomplishments are nothing short of outstanding. The swimming team, time and time again dittoes its record-breaking habits. The baseball and tennis teams are coming more into their own with their skills on the diamond and on the asphalt court.

# EVERYWHERE YOU EVERYWHERE EVERYWHERE YOU GO

Everywhere you go at Tennessee State, every school, every department within the school, every building, there is classroom activity.

The chief purpose of Tennessee State's being is this classroom activity where students are being trained for various and sundry careers. Out of this activity will come the nation's future teachers, doctors, lawyers, farmers, engineers, musicians, scientists, and homemakers. Theirs is a serious bent as they seek knowledge in the classroom.

Tennessee State University is constantly on the lookout for new and more modern means of equipping the classrooms with whatever materials are necessary for enhancing the classroom activity for the benefit of its students, the classroom attendants, the chief product of the University.

STAFF ASSISTANTS

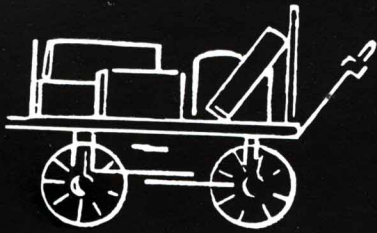

TO MRS. FRANCES AGNEW SANDERS

More than just a holder of two college degrees, this Greensboro, Alabama-born veteran of 34 years of service at Tennessee State University has been and is the motivating spirit in the personal and professional growth of hundreds of young men and women. Having no children of her own she is devoted to "other people's children." She is dedicated to the teaching profession and all it entails. She is concerned for the welfare of those who have become a part of her life whether professionally or personally.

Because of this veteran service, this motivating spirit, this devotion, this dedication, and this concern—this year's TENNESSEAN is respectfully and lovingly dedicated to MRS. FRANCES AGNEW SANDERS.

# FACULTY

## First Row:

MRS. MILDRED B. COLLINS, B.S., Technician in Home Furnishings.

MRS. AUGUSTINE DARTIS, M.S., Instructor in Foods and Nutrition.

## Second Row:

ARTHUR DAVIS, M.S., Instructor in Animal Science.

MRS. MATTYE C. FLOWERS, M.S., Associate Professor of Home Economics Education.

## Third Row:

LUTHER B. FRANKLIN, M.S., Instructor in Foods and Nutrition.

NEAL McALPIN, M.S., Assistant Professor of Plant Science.

## Fourth Row:

MRS. CATHRYN McKINNEY, M.S., Instructor in Home Economics Education.

MRS. LILLIE B. REDMOND, M.S., Instructor in Home Economics Education.

## Fifth Row:

MRS. MIRIAM TOWNS, M.S., Assistant Professor of Foods and Nutrition.

JOHN T. WHITLOW, B.S., Laboratory Technician in Animal Husbandry.

# DEPARTMENT OF AGRICULTURAL EDUCATION

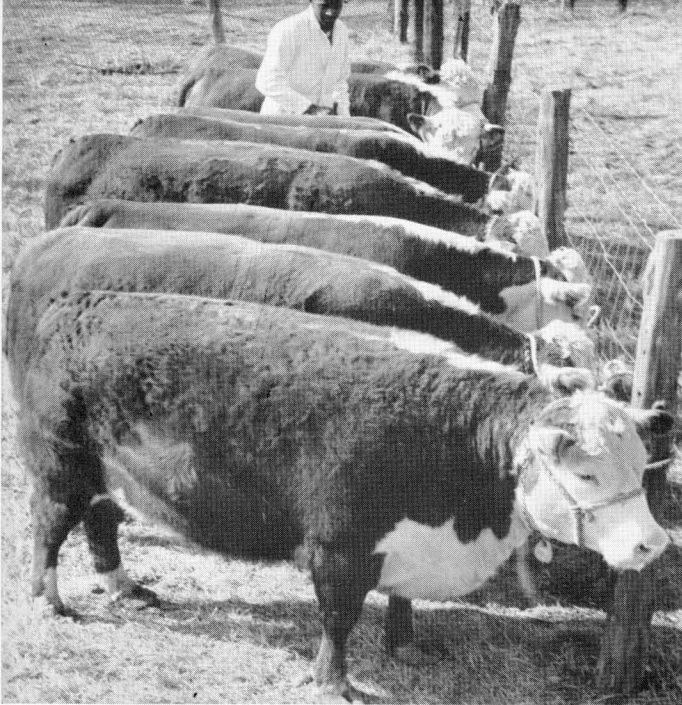

Students of agriculture study the principles and techniques involved in keeping farm records and accounts.

Interested agriculture majors listen to a lecture on the operation of farming as a business.

Students learn farm shop work to develop skills in the selection, care and use of tools and materials for farm construction and repair.

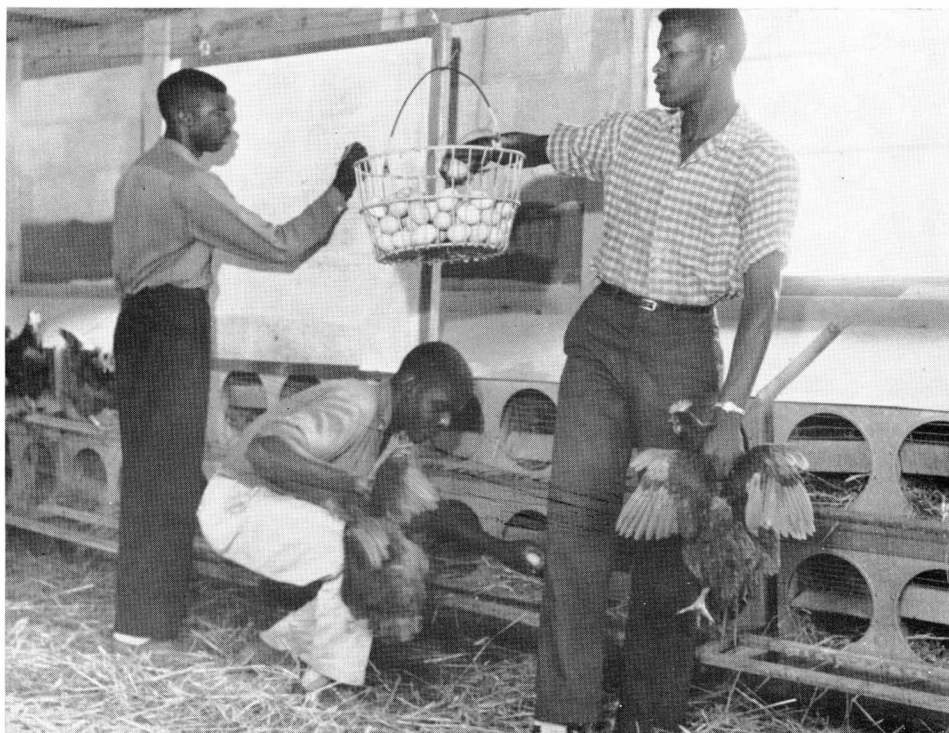

## DEPARTMENT OF ANIMAL SCIENCE

Excellence in dairy farm operation classes at Tennessee State has won for the University recognition for this excellence of its dairy herd throughout the State and nation.

Livestock management is a part of the animal science curriculum.

The curriculum in poultry husbandry has been set up to prepare students for the successful operation of poultry enterprises.

# DEPARTMENT OF HOME ECONOMICS

Students of housing and home furnishing learn drapery making, upholstery and interior decorating.

A beautiful table arrangement is one of the joys of majoring in foods and nutrition.

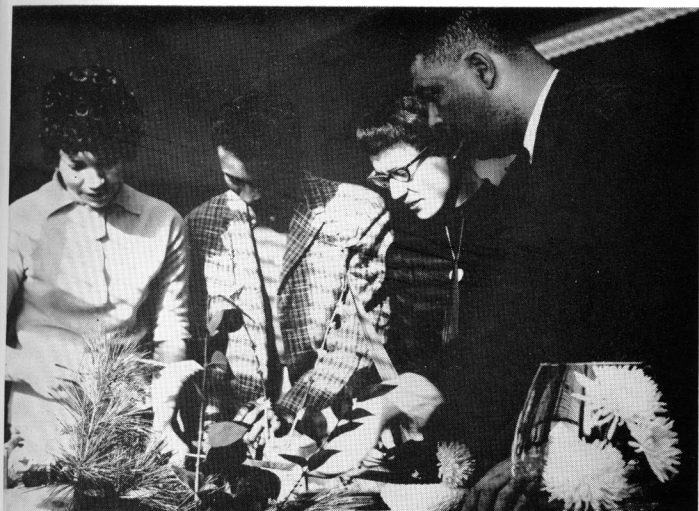

Clothing and textiles students discover that the key to a smart wardrobe is to make your own.

## DEPARTMENT OF PLANT SCIENCE

Students of floriculture become adept in the culture of greenhouse crops, commercial flowers and house plants.

In a soils testing lab students study soil factors as related to fertility maintenance and fertilizer practices.

While studying the principles of tobacco culture, agriculture majors also learn about fertilizing, producing, grading, classifying and marketing.

**DR. RUTHERFORD H. ADKINS**  
Professor of Physics and Head of the Department of Physics and Mathematics.

**DR. WILLIAM N. JACKSON**  
Professor and Head of the Department of Science Education.

**DR. CRAWFORD B. LINDSAY**  
Professor and Head of the Department of English.

**DR. ALMA T. WATKINS**

Professor and Head of the Department of Modern Foreign Languages.

**DR. THOMAS E. POAG**

Professor and Head of the Department of Speech and Drama.

**DR. MYRON B. TOWNS**

Professor and Head of the Department of Chemistry.

**DR. HENDERSON K. WOOD**

Professor and Head of the Department of Biology.

#### First Row:

MRS. GLADYS ADAMS, M.S., Assistant Professor of Biology.  
 ARTHUR S. CARY, M.A., Associate Professor of Physics.  
 MRS. HELEN COTTON, M.S., Instructor in English.  
 JIMMUIR COTTON, M.S., Instructor in Geography.  
 W. DURY COX, M.A., Assistant Professor of Speech and Drama.  
 DR. MERL R. EPPSE, M.A., Professor of History.  
 MRS. DOROTHY S. EXUM, M.S., Instructor in Biology.  
 DAVID C. GANDY, M.S., Associate Professor of Chemistry.

#### Second Row:

PEARLIE M. GASAWAY, M.A., Associate Professor of Mathematics.  
 JUANITA E. HORNER, M.A., Assistant Professor of English.  
 LONNIE HAYNES, M.S., Instructor in Chemistry.  
 HENRY H. HYMES, M.S., Assistant Professor of Geography.  
 ERNA J. JACKSON, M.A., Instructor in English.  
 EDMOND T. JENKINS, M.A., Instructor in Speech and Drama.  
 LeROY L. JOHNSON, M.S., Technician in Chemistry and Physics.  
 GRACE C. JONES, M.A., Assistant Professor of Psychology.

#### Third Row:

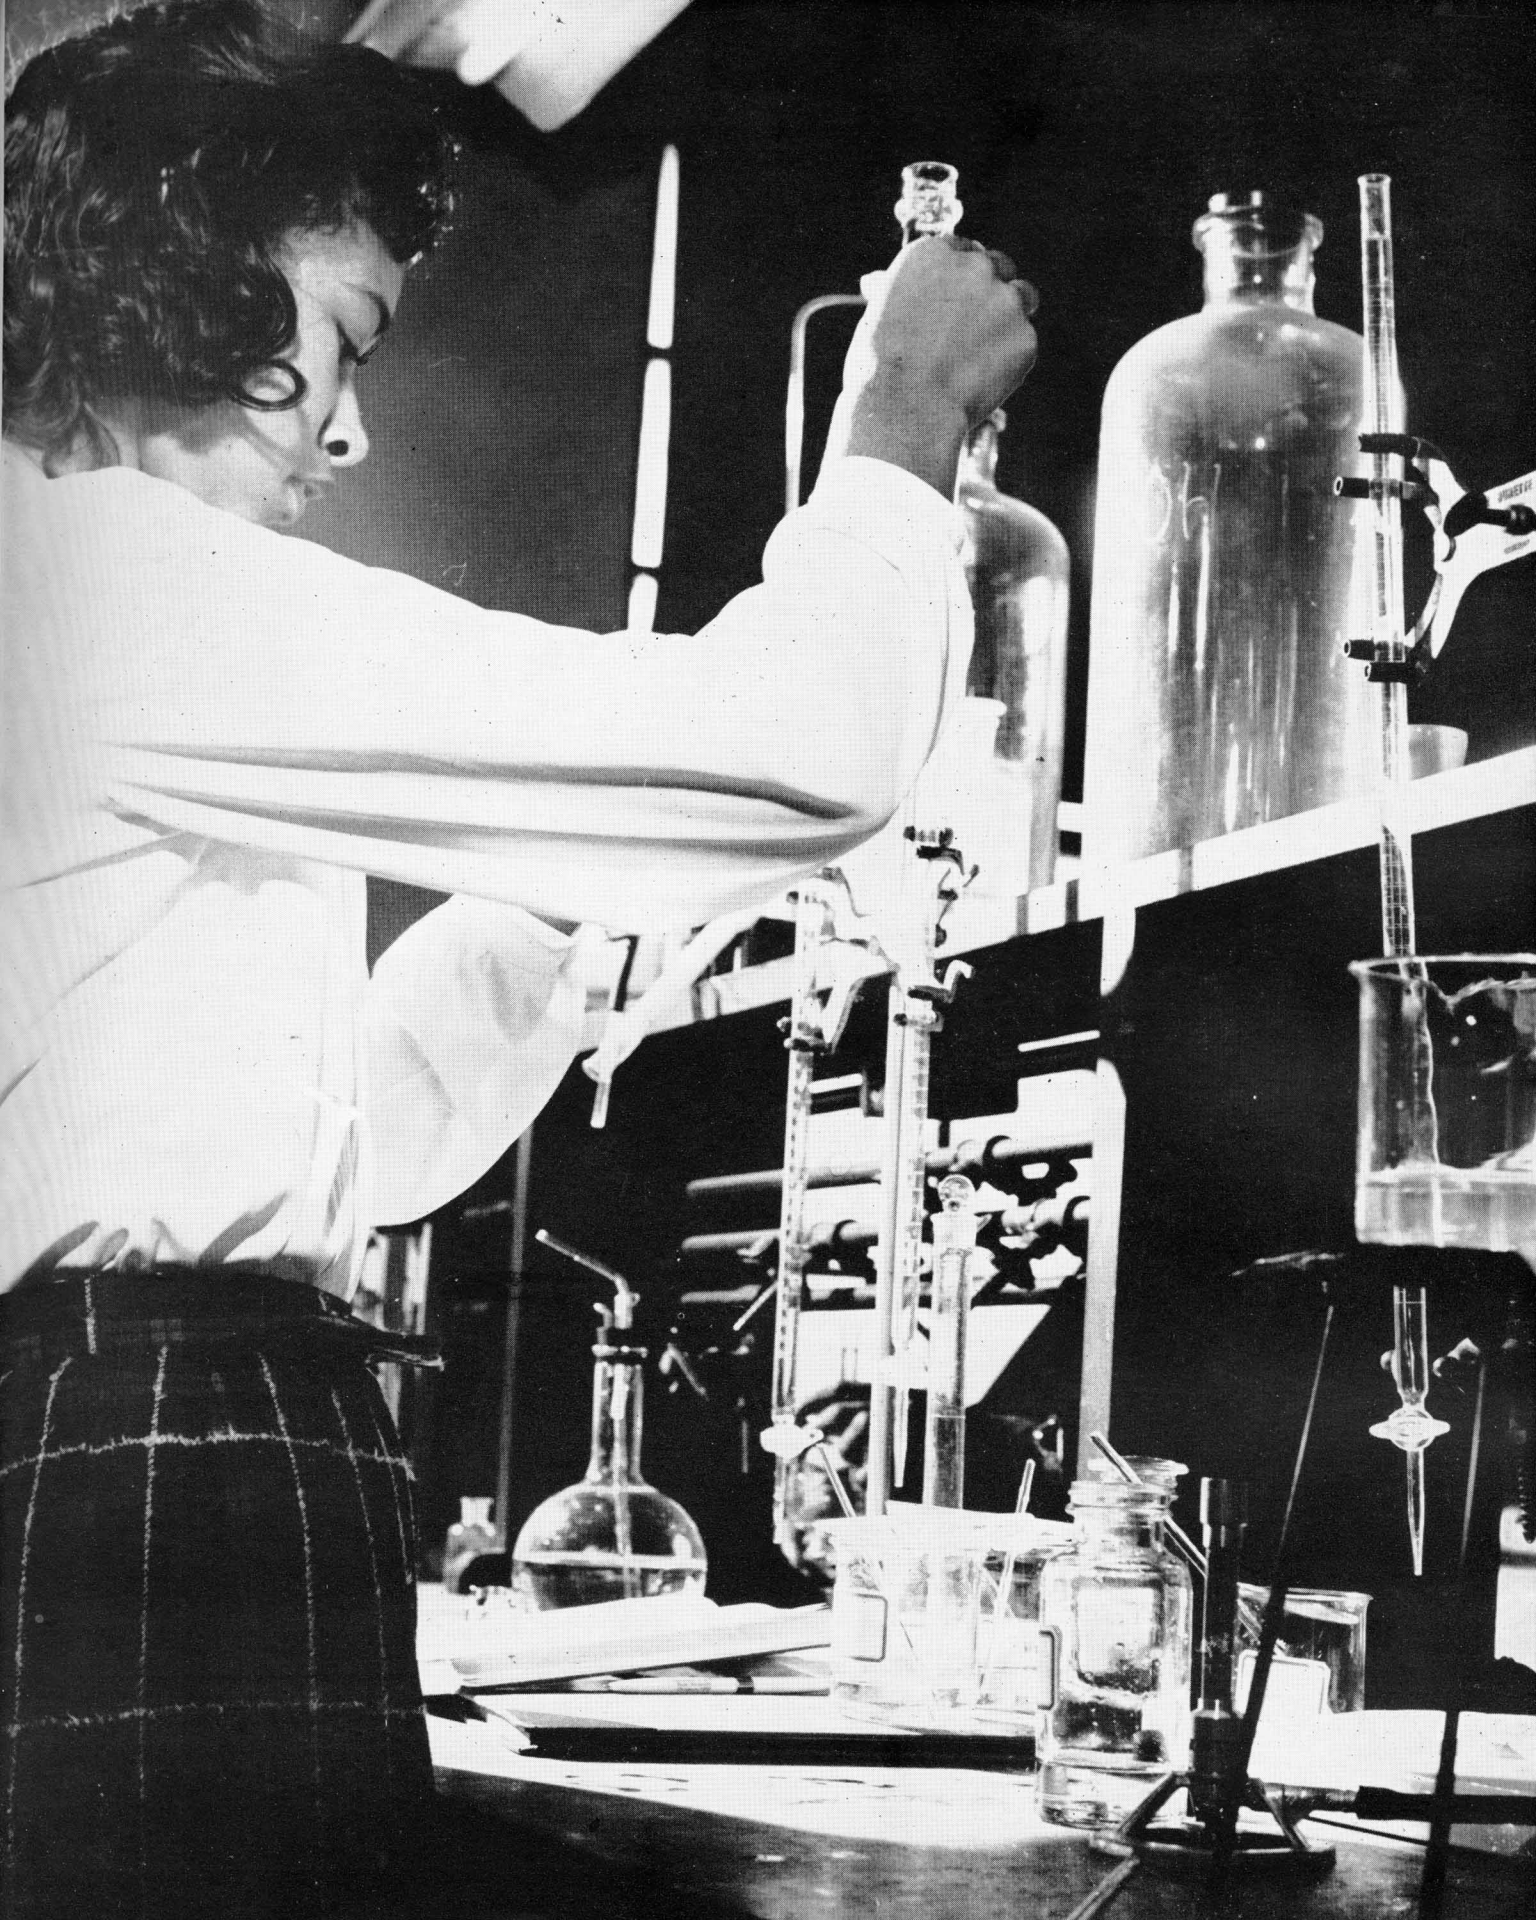

MRS. MARY ALICE LOVE, M.S., Instructor in Mathematics.  
 ANNIE B. MARTIN, M.S., Instructor in Social Administration.  
 NORA L. ROY, M.A., Assistant Professor of Sociology and Social Administration.  
 MRS. DOROTHY SAMUEL, M.A., Associate Professor of French.  
 HORACE C. SAVAGE, M.A., Assistant Professor of History.  
 MRS. NETTIE H. SEABROOKS, A.M.L.S., Instructor in Library Science.  
 GILBERT W. SENTER, M.S., Assistant Professor of Chemistry.  
 MINGO SCOTT, M.S., Instructor in History.

#### Fourth Row:

MRS. JESSIE SMITH, M.A., Instructor in Library Service, School of Arts & Sciences.  
 EDWARD S. TEMPLE, M.S., Instructor in Social Administration.  
 MRS. RUBY TORREY, M.S., Assistant Professor of Chemistry.  
 ALEXANDER WELLS, M.S., Laboratory Instructor.  
 MRS. VESTA R. WHEATON, M.A., Instructor in English.  
 SAMUEL R. WHITMON, M.S., Instructor in Biology.  
 RUDOLPH WOODBERRY, M.S., Technician in Chemistry and Physics.

## FACULTY . . . ARTS AND SCIENCES

Students learn the fundamentals of speech and speech correction through the theory and practice of voice usage as related to effective speech.

## DEPARTMENT OF SPEECH AND DRAMA

Students of speech and drama study and practice the fundamentals of acting technique.

A study of the fundamentals of design for the theatre and the stage as well as stage makeup is learned in a theatre class.

Specimen under glass in the biology lab.

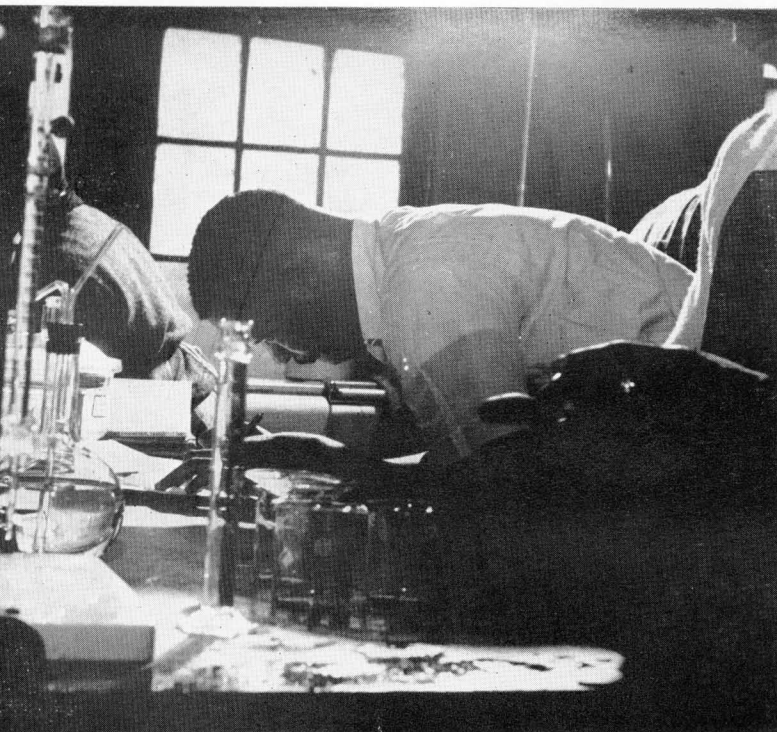

## DEPARTMENT OF BIOLOGY

It's in the biology lab too that future nurses and doctors first learn the principles and techniques involved in checking the blood pressure.

Delving into the age-old biological custom of dissecting a frog.

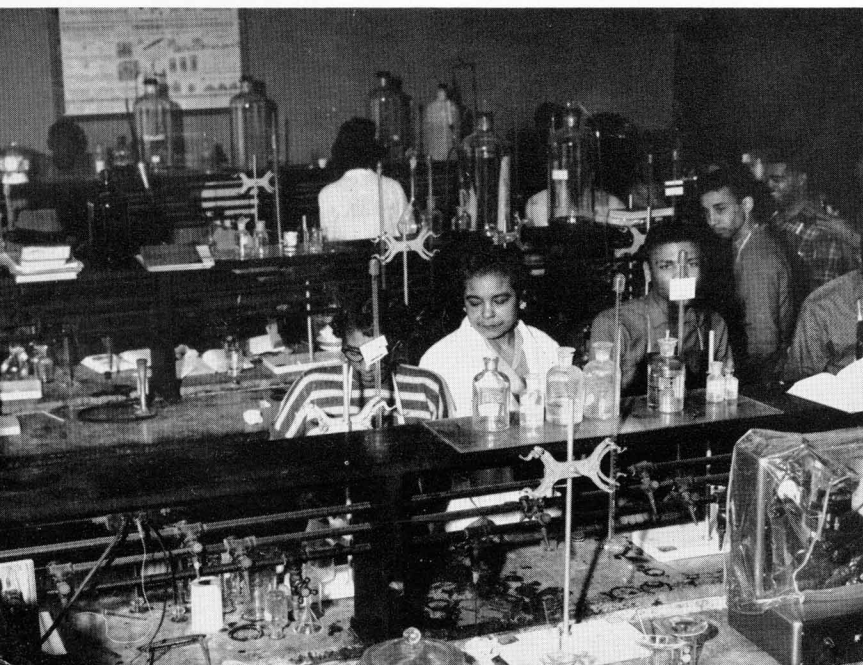

In the chemistry lab careful note-taking is a must.

A systematic study of the solubility and class reactions of the principal classes of organic compounds is made in the chemistry lab.

## DEPARTMENT OF CHEMISTRY

Learning the elementary study of the fundamental laws and theories of chemistry.

From recitations in English literature . . .

. . . to lectures on the fundamentals of composition.

## DEPARTMENT OF ENGLISH

. . . to thought provoking sessions in journalism.

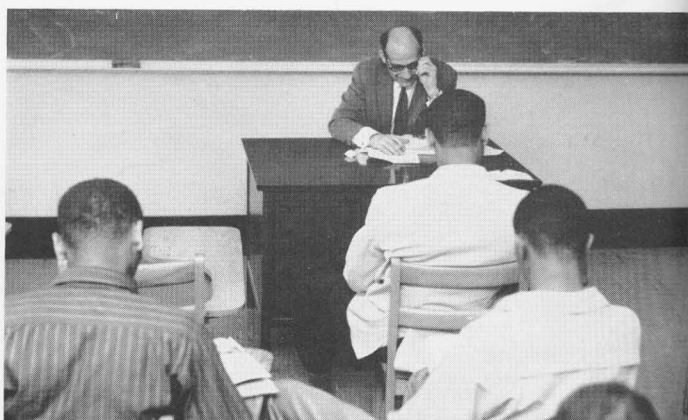

In a Spanish class stress is placed on ability to read as well as conversation.

French classes become acquainted with recent developments in methods, materials and texts for teaching the language.

## DEPARTMENT OF MODERN FOREIGN LANGUAGES

Courses in German are designed to develop the ability to read and understand German by building up a functional vocabulary and by stressing the essentials of grammar.

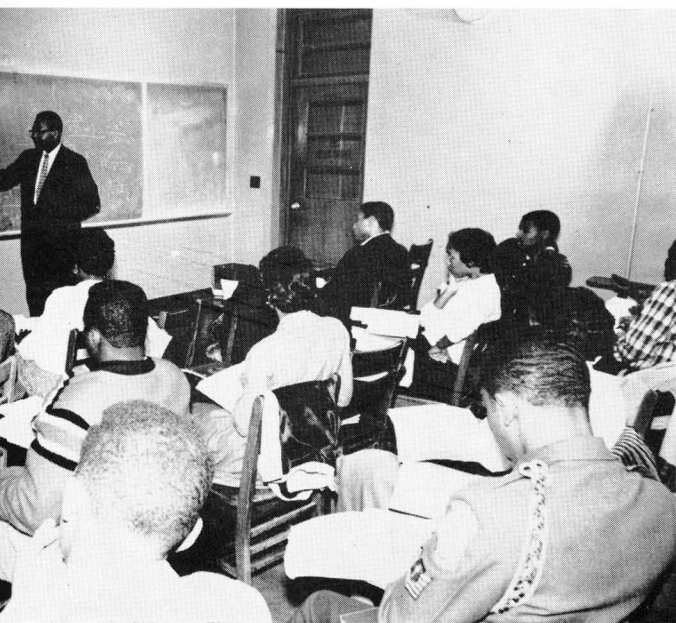

The theory of electrical circuits is studied in the physics lab where the student gains experience in the handling of electrical measuring instruments.

## DEPARTMENT OF PHYSICS AND MATHEMATICS

The math instructor often is called upon to give demonstration lectures with the blackboard as a visual aid.

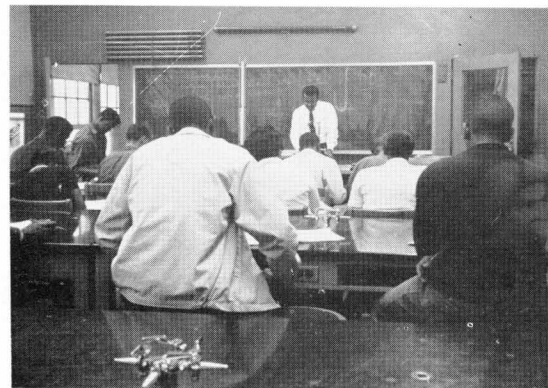

Sometimes for the mathematics teacher, the class is the problem.

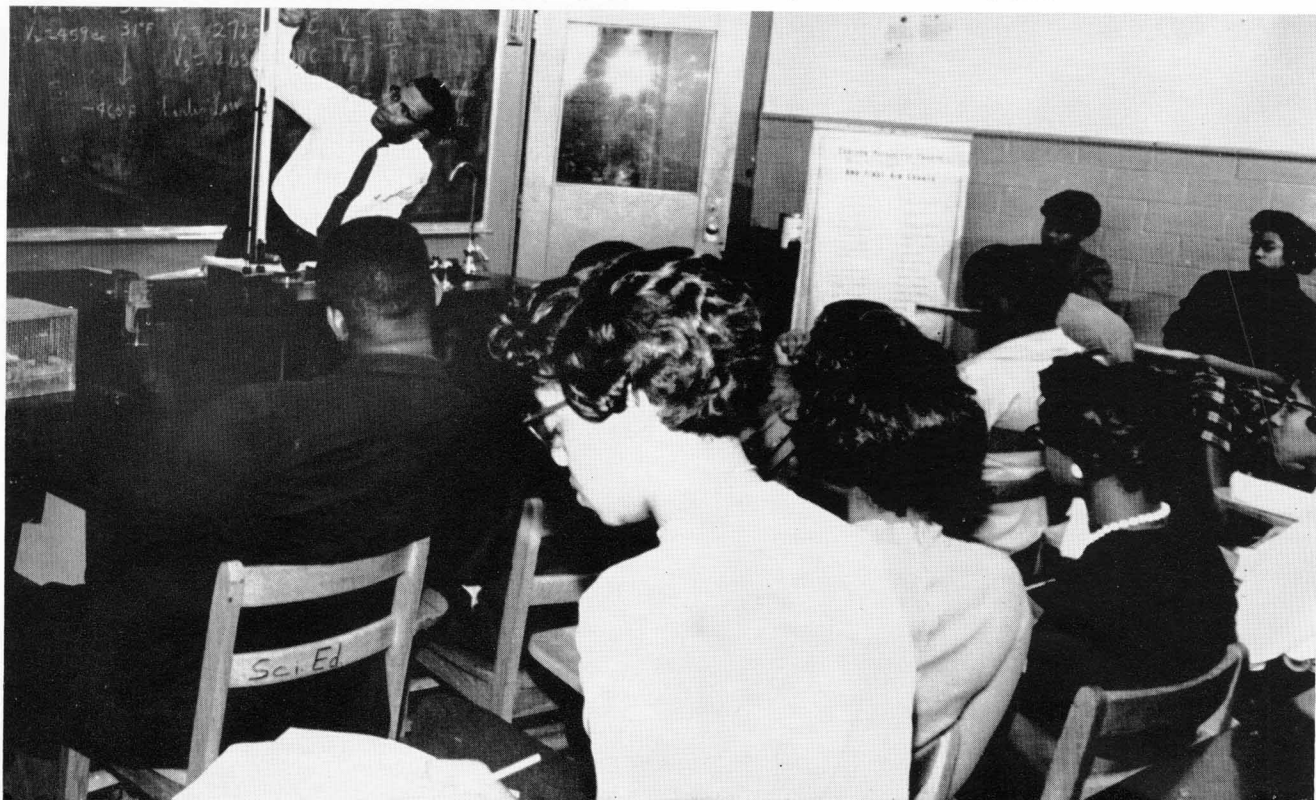

Materials and methods suitable for use in junior and senior high schools are stressed in a science education class.

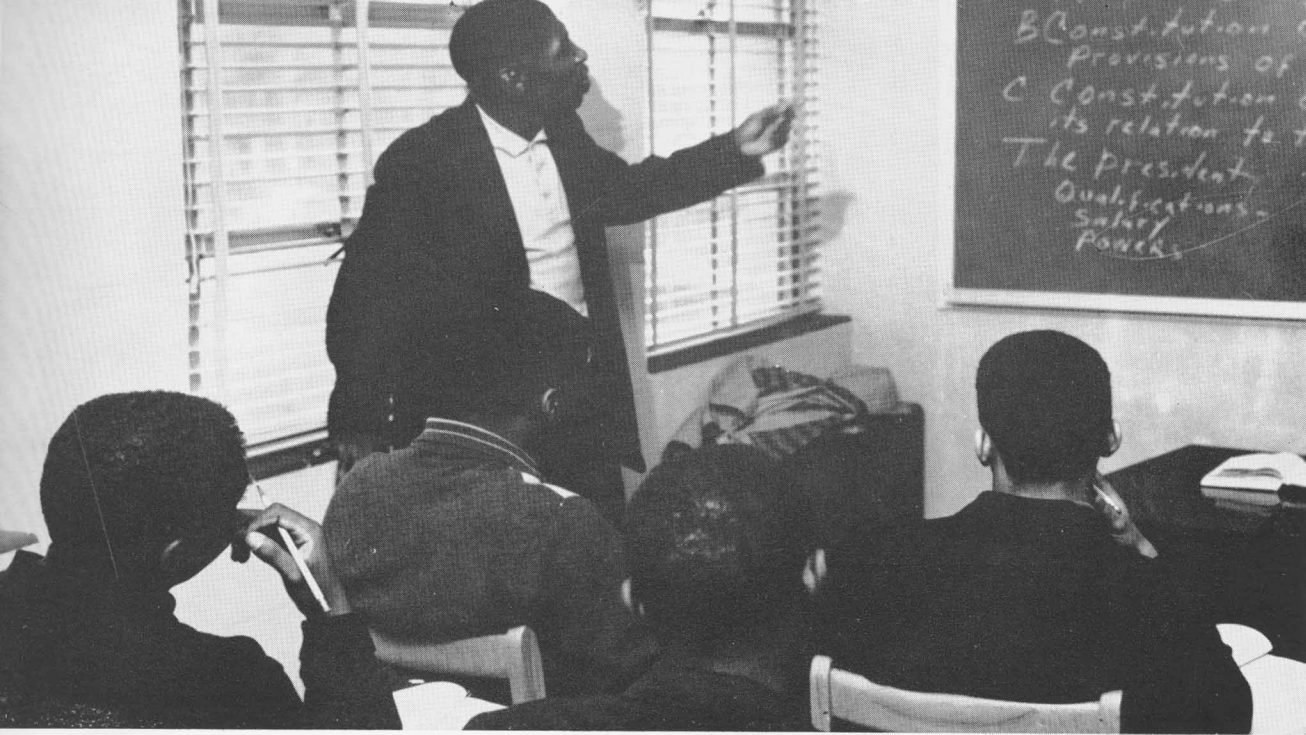

Majors devote time and energy to selected experiences in areas of astronomy, geology, physics and chemistry.

## DEPARTMENT OF SCIENCE EDUCATION

Students consider evidence and logic upon which contemporary scientific concepts rest.

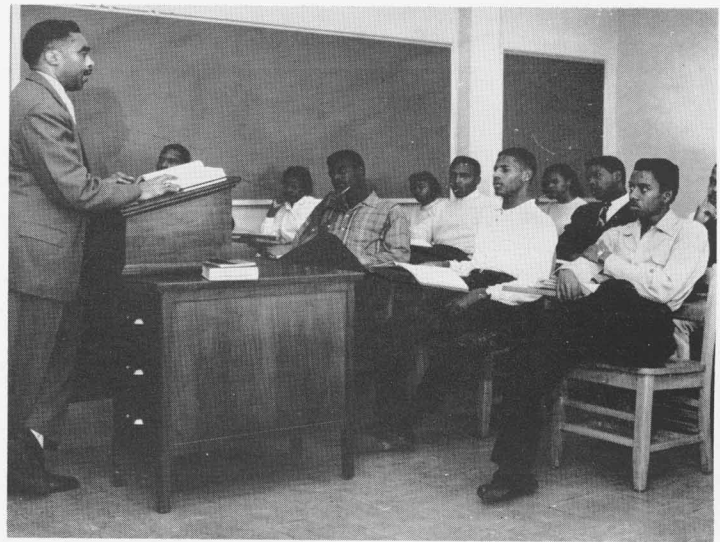

Students of history learn about the United States constitution.

ocial science classes find audio-visual materials a boon to their activities.

In a History lecture class a real life story unfolds.

## DEPARTMENT OF SOCIAL SCIENCE

#### OFFICERS

STEPHEN C. GOODWIN  
*President*

LEWIS TATUM  
*Vice President*

CHARLES WILLIAMS  
*Secretary*

JAMES C. COUSIN

The purpose of the Literary Guild is to give English majors an opportunity for active participation in discussions on classical literature. Chief aims of the organization are to promote a bond of genial fellowship among the members; to deepen the students' acquaintance with an appreciation of the world's most outstanding personages and products of the field of literature; to encourage an interchange of talents with the members of all organizations identified with the communication arts.

The Mathematics Club stresses the importance of mathematics in other fields of study. Its members discuss mathematical books and other literature as well as present day developments in the field. These activities help the mathematics student to enjoy mathematics more fully and affords the opportunity for counsel along academic and non-academic lines.

## MATHEMATICS CLUB

## TSU PLAYERS GUILD

A laboratory in the Department of Speech and Drama, the Tennessee State Players Guild is open to majors and minors in the department as well as to other students who have an interest in dramatic art. The group presents at least four major productions each year. This year members of the Guild were selected by the USO to perform for American servicemen stationed in the Arctic Circle area.

PEGGY M. WILLIAMS, M.A., Assistant Professor of Health and Physical Education.

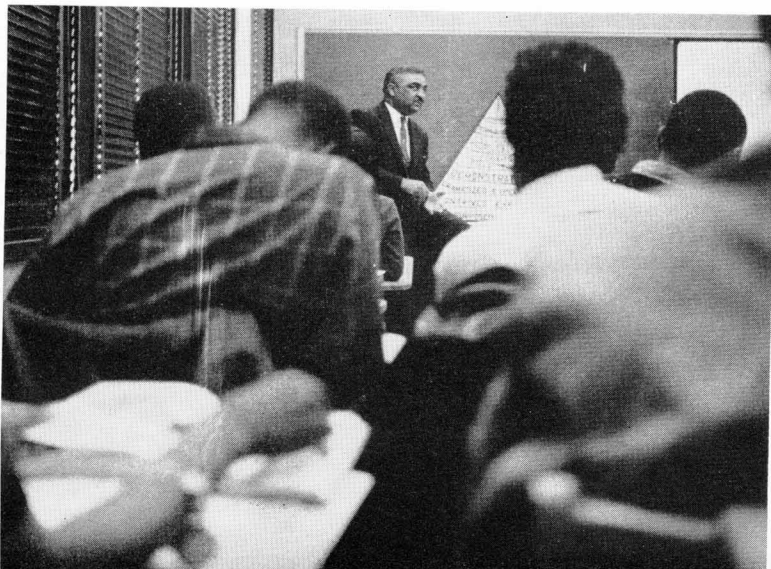

A practice teacher in any field receives training for plying her knowledge in the department of Administration, Curriculum, and Instruction.

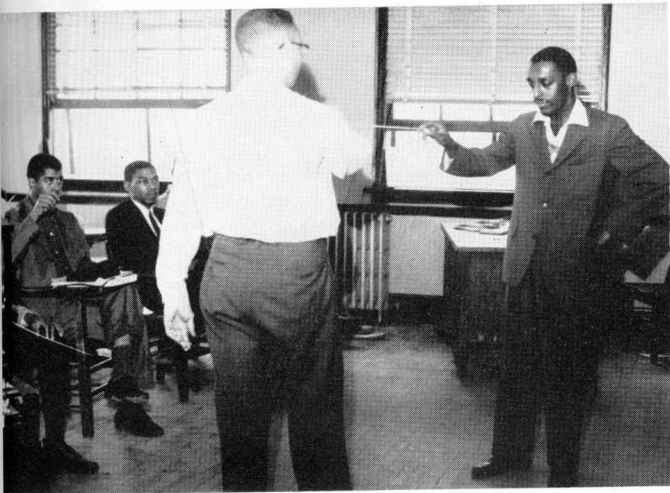

## DEPARTMENT OF ADMINISTRATION CURRICULUM AND INSTRUCTION

Secondary Education classes prepare prospective teachers for teaching on the high school level.

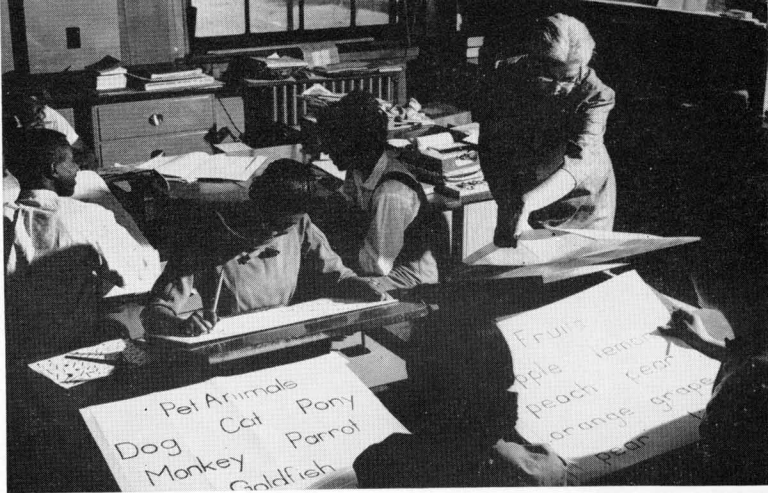

The library service program may be elected as a minor field of concentration by students taking a major in any department in the institution.

Future primary teachers develop skill in simple letter forms in an art class of manuscript writing.

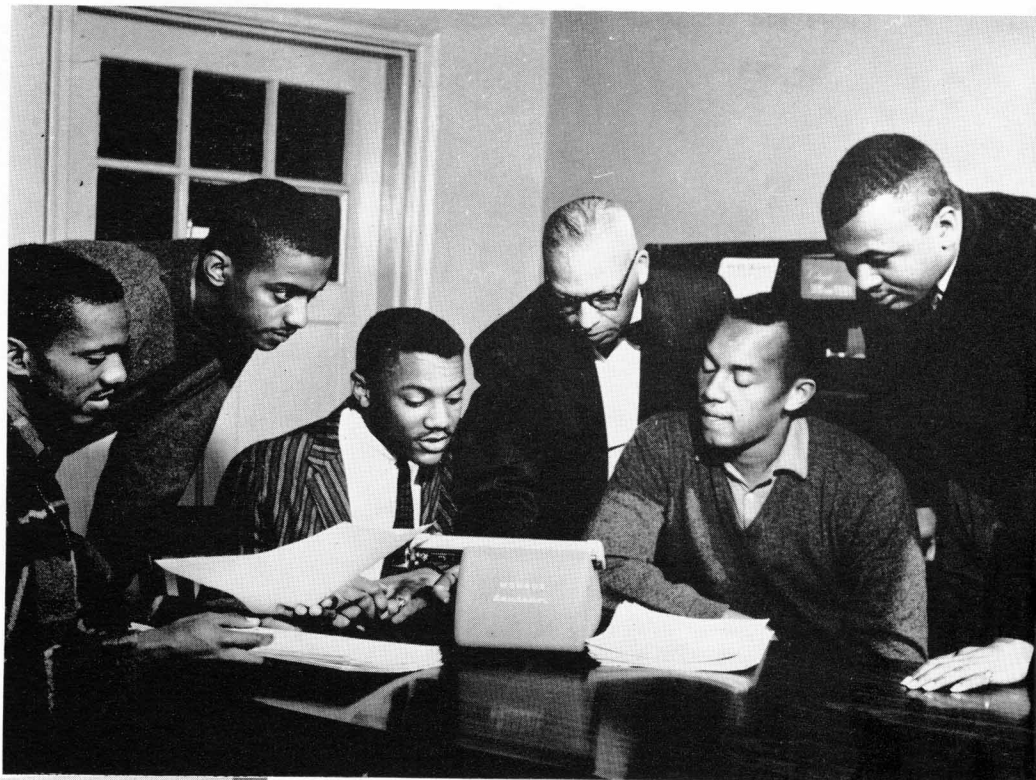

A course in choral methods and materials presents to the music student problems of teaching voice, managing and directing choral organizations.

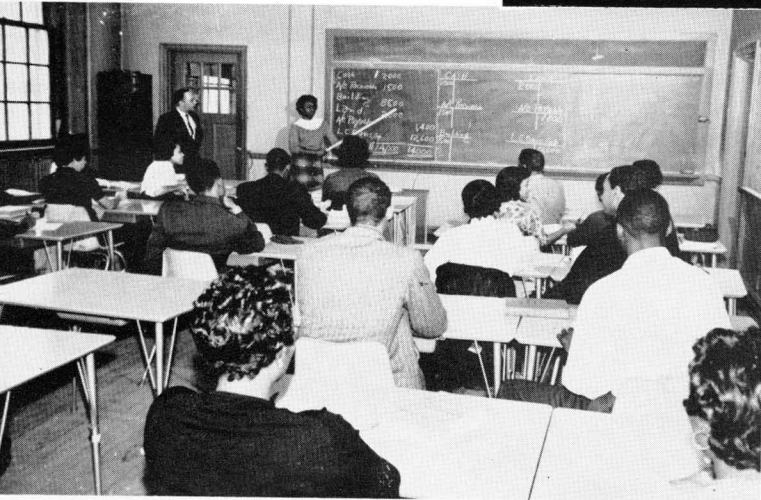

## DEPARTMENT OF MUSIC AND ART

In a percussion class students receive individual attention on the fundamentals of care and minor repair. They also study technique of performance on most percussion instruments with emphasis on the snare drum.

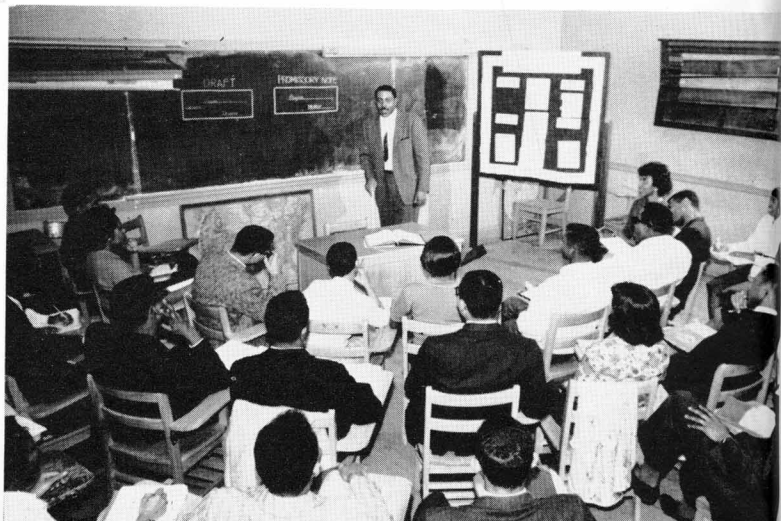

Students in a business administration class conduct their own survey on insurance coverage of faculty members.

Students of business administration are offered courses in accounting, insurance, finance, marketing, real estate and salesmanship.

The Business Administration Department provides training in the methods, techniques, and principles underlying modern business as a foundation for business careers.

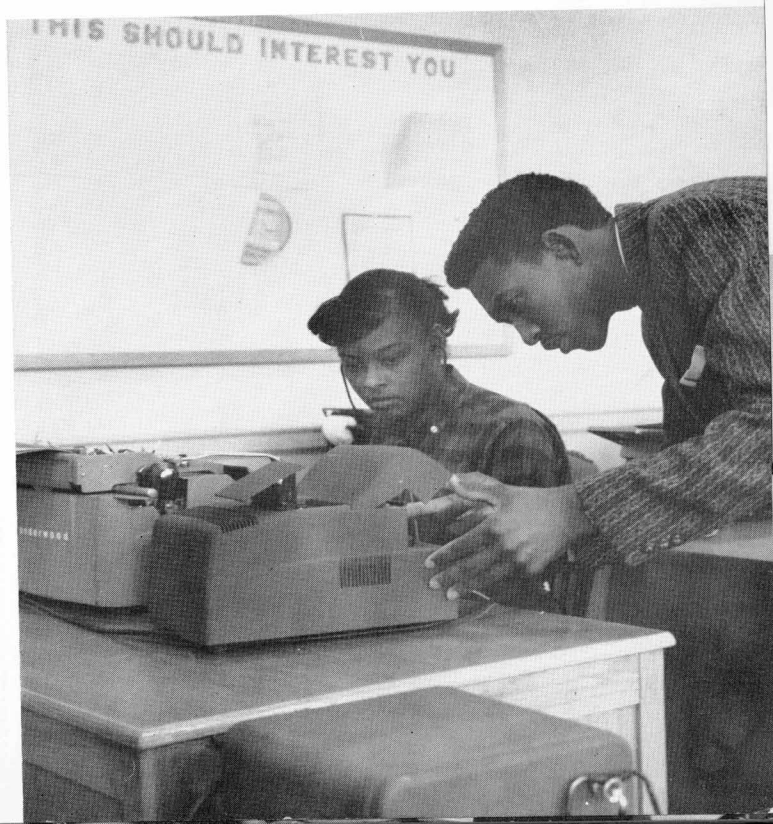

Advanced classes in business education find students transcribing their shorthand notes into typewritten copy.

## DEPARTMENT OF BUSINESS EDUCATION

A business education teacher assists a student with minor adjustments on the dictaphone.

A bit of scrutiny is required for work on the mimeoscope in a class in office machines.

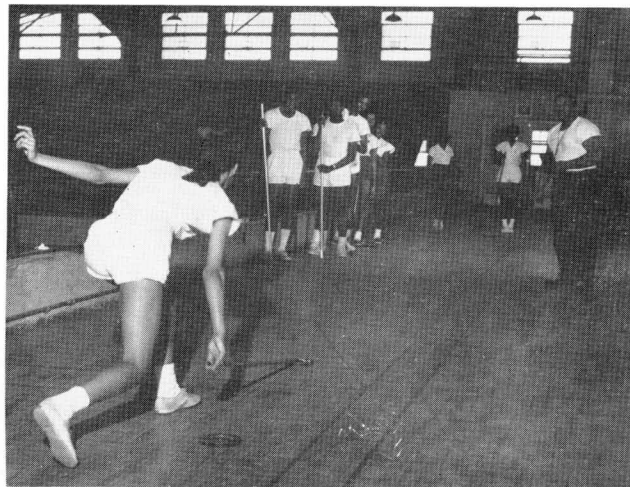

Archers sight their target and take steady aim in a physical education class.

## DEPARTMENT OF HEALTH AND PHYSICAL EDUCATION

Body conditioning classes, taught in the Physical Education Department, are required of all students.

The variety of courses taught in the Physical Education Department seems limitless. Majors and non-majors enjoy a shuffleboard class.

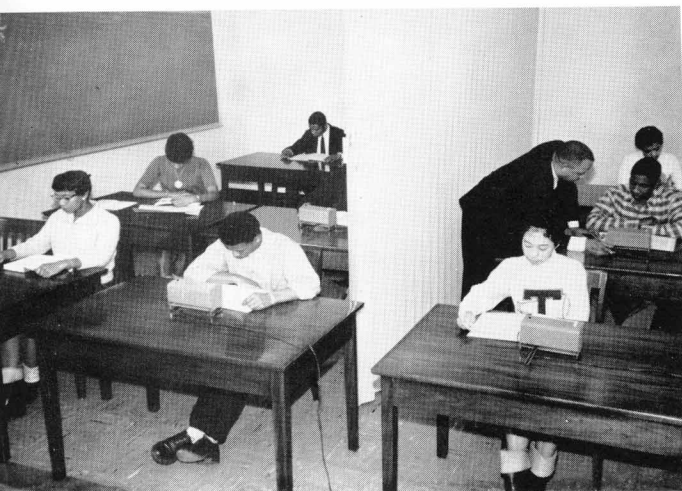

The Psychology Department features a psycho-educational clinic which offers a children's service to public schools that consists of mental testing.

## DEPARTMENT OF PSYCHOLOGY

Students of psychology learn the techniques of diagnoses leading to the correction of reading disabilities.

The Psycho-Educational Classes offer educational guidance to college students based on routine testing, aptitude testing and interest and personality inventory.

The Tennessee State University gridiron Tigers of 1959

By LUKE PERRY

## 1960 FOOTBALL

Tiger ballrunner Henry Arnold headed for another TD

After losing the first game to Youngstown University of Youngstown, Ohio, by a score of 13 to 12 before some 11,000 fans, Tennessee State University footballers snapped back to go through the rest of the season in fine style.

Ironing out a number of mistakes, the Big Blue rushed back in the latter portion of the A. and T. College game to beat the Greensboro, North Carolina, Aggies 26 to 24. It seemed as though the Tigers were on their way to big scoring, but Morris Brown College held them to a thrilling 13-12 victory on a bright hot day in Atlanta, Georgia. The next week the Tigers were successful in defeating powerful Grambling College of Louisiana by a score of 26 to 21.

As the season progressed, the sharpness of the Tigers was very much in evidence. Tiger mentor Howard Gentry engineered his powerhouse crew to a 47 to 8 victory over South Carolina State College of Orangeburg. After that victory, the Big Blue concentrated on Central State College of Wilberforce, Ohio, defeating them by a score of 14 to 0.

The Tigers got a break with an open date before meeting the strong Southern University Jaguar Cats of Baton Rouge, Louisiana, in the Wild Buck-Boar-Deer Classic. The Tigers won 17 to 13 and for their trouble got a Louisiana deer to be served as the main dish at the annual athletic banquet. Next the Tigers had to journey to Lincoln University at Jefferson City, Missouri, where they won again 27 to 0.

The end of the Brown Jug Classic between Tennessee and Kentucky State of Frankfort, found State's name once again in the win column to the tune of 19 to 8.

To conclude the season with a nine to one record, the Tigers faced arch enemy Jackson State College of Jackson, Mississippi, before a homecoming crowd in W. J. Hale Stadium and came away victorious with a 26 to 6 score to end the season in great spirits.

TIGER SENIORS

FOOTBALL AT TENNESSEE STATE

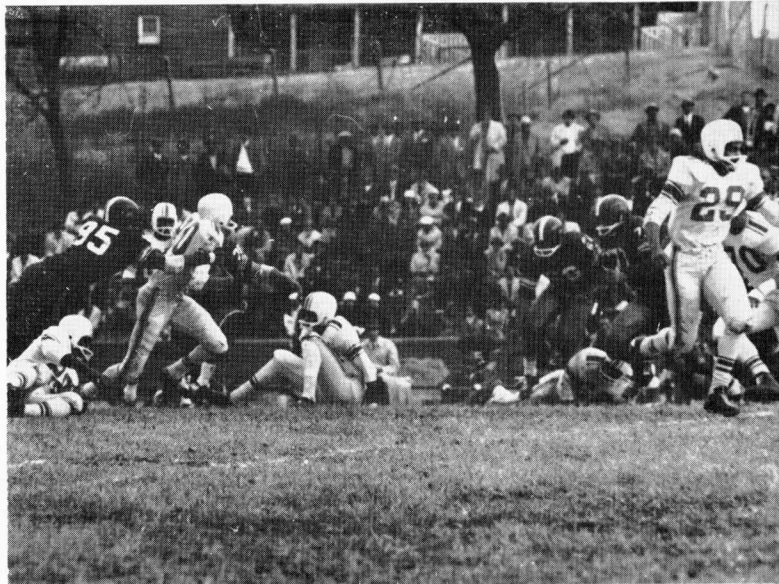

Sixty-five yard run out of the end zone against Kentucky. Randall doing the honors.

They're running over left, Coach, not right.

Tigers all over the place: Jackson State Tigers and Tennessee State Tigers.

Three from Tennessee made history in the Denver Coliseum-staged Olympic Basketball Tryouts.

# BASKETBALL

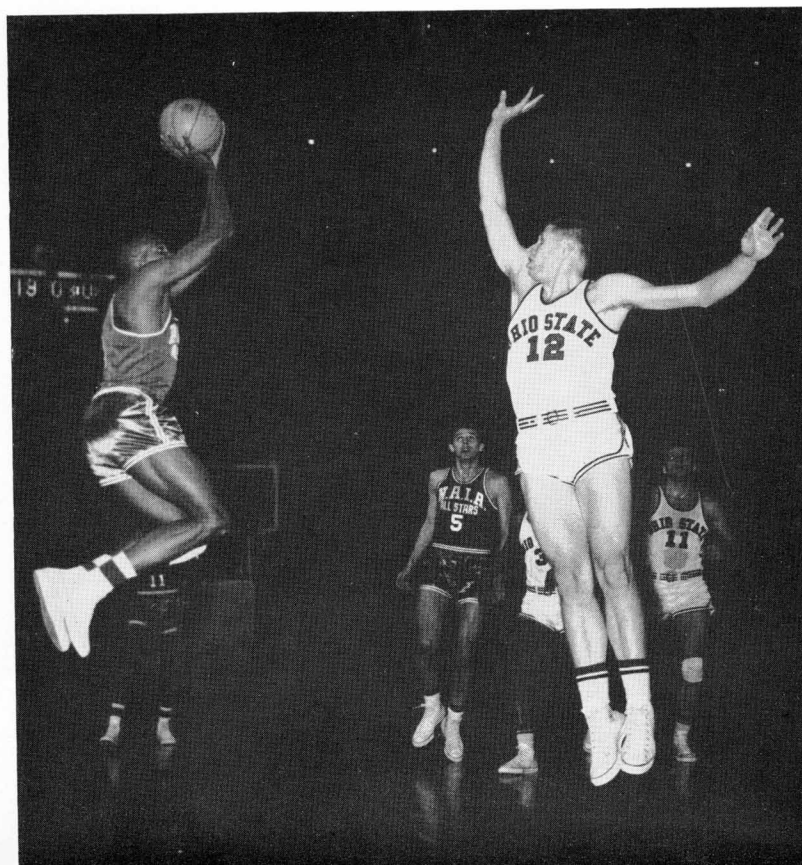

By MARCELLUS D. SLATER

Hats off is the appropriate gesture for Basketball Coach Harold Hunter. In his initial year as Tiger mentor, Hunter, a disciple of McLendon, did a tremendous job of keeping Tennessee State's recognition up to par. The "Tigers," after getting off to a slow start, finished the season in high gear. The "Tigers" won 28 games while losing only 5 games. This record includes their participation in tournament play.

By defeating Central State College (Ohio), they (Tenn. State) clinched the Mid-Western Conference title with a 4-0 record. The "Big Blue" captured 3rd place in the Quincy Invitational (NAIA) Tournament, the Mid-Western Tournament, which was held at Lincoln University in Jefferson City, Mo., and the NAIA tournament in Kansas City, Mo., although they were the top seeded team in each of the tournaments.

They were beaten in the NAIA Tournament by the "hard to believe" score of 39-38. The "Tigers" finished second to Evansville, Ind., in the UPI Rating for small colleges.

Eugene Werts and Rossie Johnson gained first team position on the All-Tournament Team (Kansas City), and Rossie was recipient of NAIA's Emil Liston award for highest academic average of any junior participating in the tournament and good citizenship. Porter Merriweather made the second team. The "Tigers" are really going to be hard to beat next year because no player will be lost. All in all, the team is to be congratulated on its fine showing this past season.

Gene Werts fires "two" for the NAIA All-Stars as the "Small Boys" spanked the "Big Boys"—Ohio State—in the Olympic Tryouts.

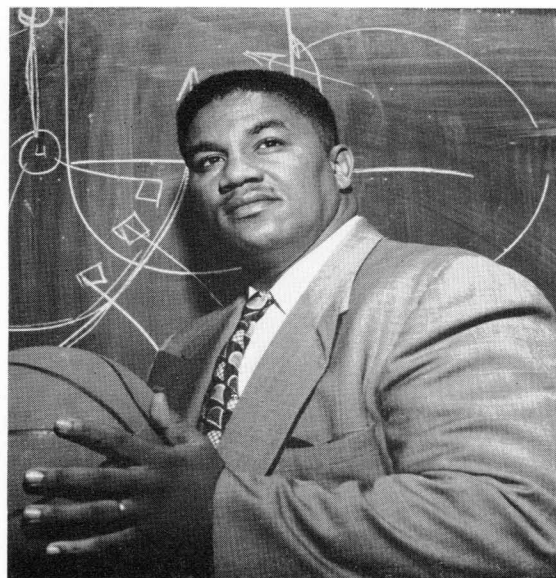

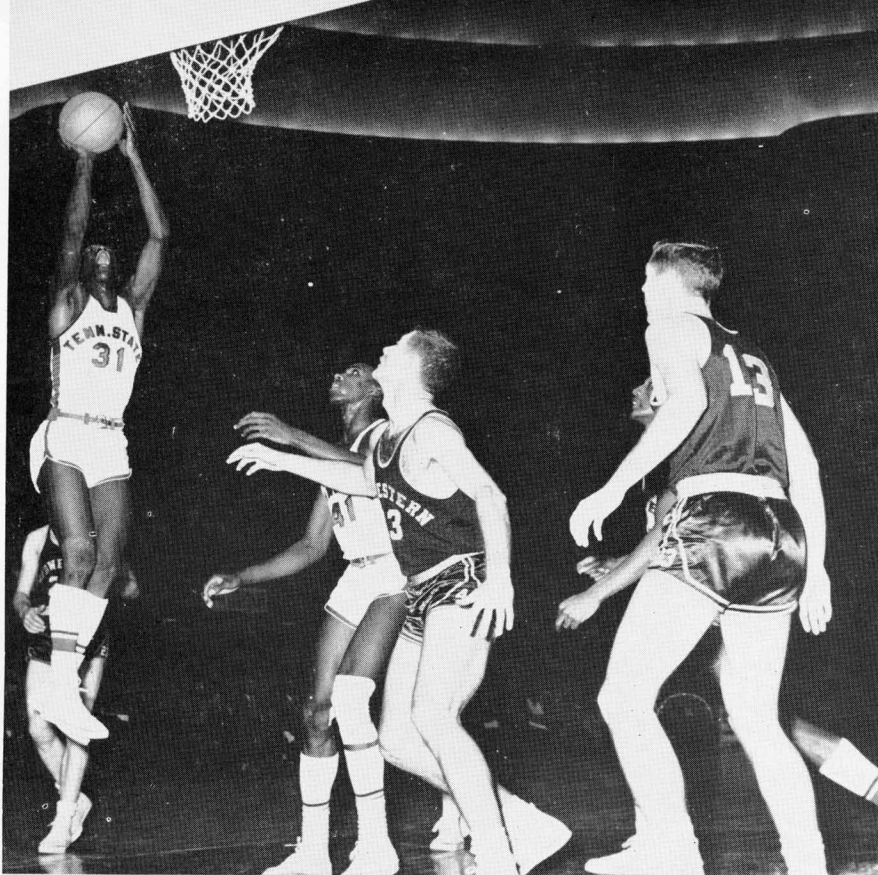

1959-60 Basketball Team

HEAD COACH HAROLD HUNTER

ASSISTANT BASKETBALL COACH DICK MACK

Another "two points" for the Tigers by "Captain" Porter Merriweather.

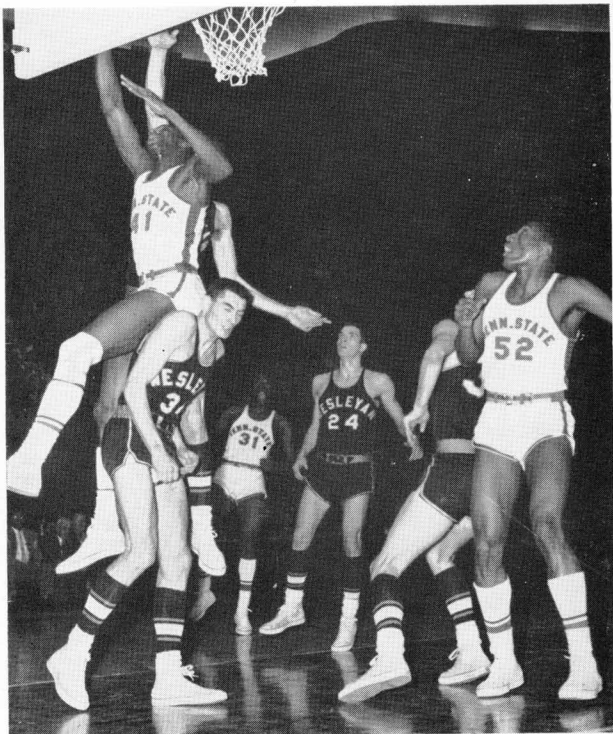

Big Blue sponsored NAIA South-Central Tip-Off Tourney Champions.

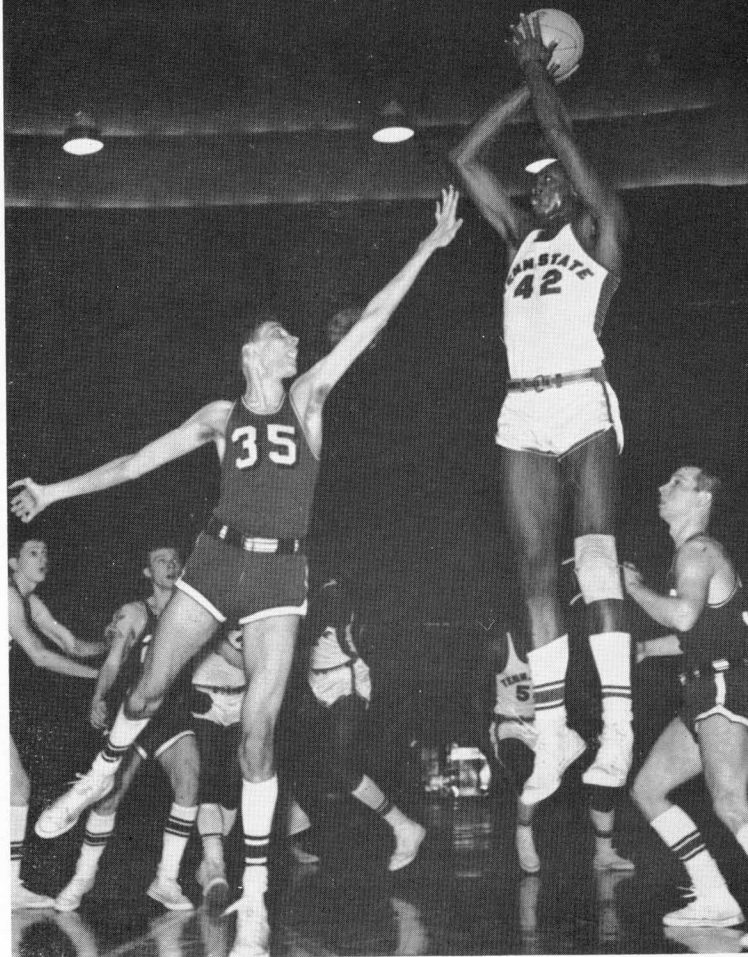

Quincy, Illinois' Judge Schultz, Coach Hunter holding third place trophy, and Emporia State's Gus Fish, Hunter bounced Gus' team for the trophy.

Piggy back for a layup

2 Points for NAIA 3rd place trophy

NAIA National Basketball Tournament's first five: Werts, Johnson, Westminster's Charlie (39-38) Davis, Southwest Texas' Chuck Sharp and Rudy Lavolos—Four of this five played in the Olympic Trials. Davis didn't make the big show.

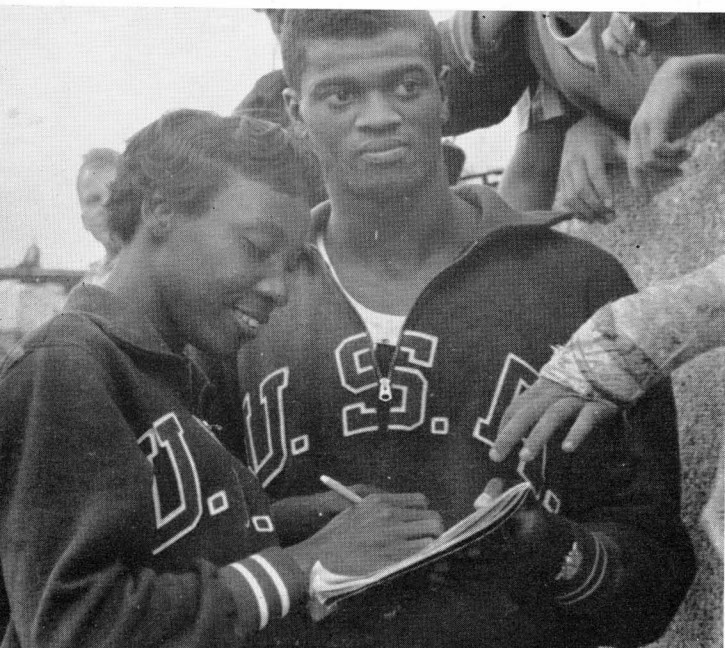

NAIA's three-in-a-row champs brought home the third place trophy this year.

The Tennessee State University Tigerbelles

The only triple gold medal winners at Pan American Games, Tennessee State University co-ed and Sullivan Award nominee Lucinda Williams and San Jose State's Ray Norton.

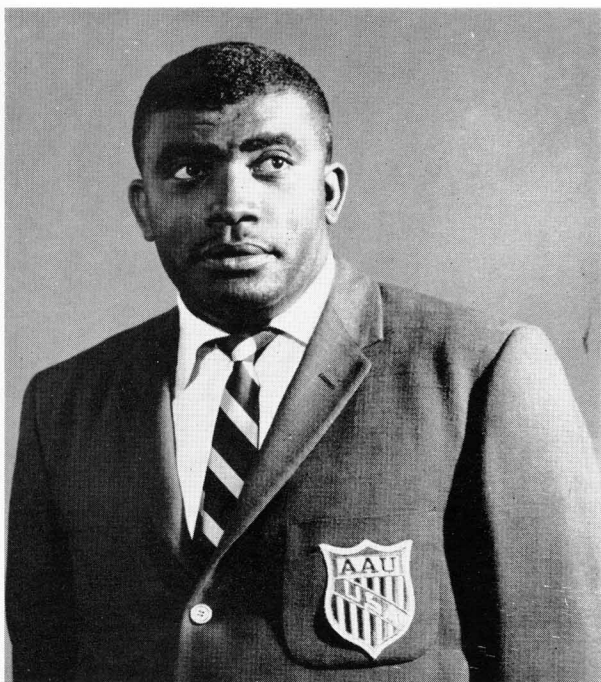

## WOMEN'S TRACK

By BARBARA JONES

This year served as an unforgettable year in the world of Sports as Tennessee State's Tigerbelles led by trackman of the year Edward S. Temple, sparkled to another victory in the Women's AAU Outdoor Nationals at Cleveland, Ohio. Tigerbelle Isabelle Daniels led the team to victory by winning two first places—60 and 200 meters. The team gathered 132 points.

This meet served as a tryout for the U.S. vs. Russia meet to be held in July at Philadelphia and the Pan American Games to be held in Chicago. Tennessee State had eight girls to qualify for the U.S. vs. Russia meet and ten girls to qualify for the Pan American Games.

Women's Track Coach Edward S. Temple

Tigerbelle captain, senior Barbara Jones

Although the Russian girls won the most team points in the dual meet, Barbara Jones and Lucinda Williams repeated their victories from last year, winning their individual events respectively.

The winning 440 yard relay team composed of Wilma Rudolph, Lucinda Williams, and Barbara Jones gave the final points to the American team in the third Pan American Games at Chicago.

Sprinter Lucinda Williams had a memorable year. She was nominated as a candidate for the James E. Sullivan Award by the Southeastern Association of the AAU, chosen fourth among women athletes in the world and was a triple gold medal winner in the Third Pan American Games.

Tigerbelle timber specialist Shirley Crowder

On their marks—to retaining the fifth AAU Outdoor National track and field championships at Cleveland, Ohio.

Beating the Russians again. In Moscow, Sprinter Jones chopped the Red sprinters in the century race. Last summer in Philadelphia—results the same.

Air express—for Tigerbelle jet assisted speedsters to Chicago-staged Pan-American games.

The world's fourth best woman athlete anchoring Tennessee's second shattering 440 relay.

# SWIMMING

By ROBERT "FISH" JENKINS

The Tennessee State Tigersharks ended the 1959-1960 season with a 4-1 record. Starting off with a big bang, the Tigersharks swamped West Virginia 77-18. Only one record was set, the 200 yard backstroke in 2:31.5. At Southern University, the Tigersharks set six pool records with the time of 4:21.3 in the medley relay; 25.6 in the 50 yard freestyle; 2:29.1 in the 220 yard backstroke; and 3:53 for the 400 yard freestyle. Tennessee State beat Southern in their own pool 42-35, and again in the Tigershark pool 58-34. They also swamped Morehouse College 60-35 here in the "record breaking" pool of Tennessee State. Ball State tamed the Tigersharks 60-35.

1959-60 Tigersharks

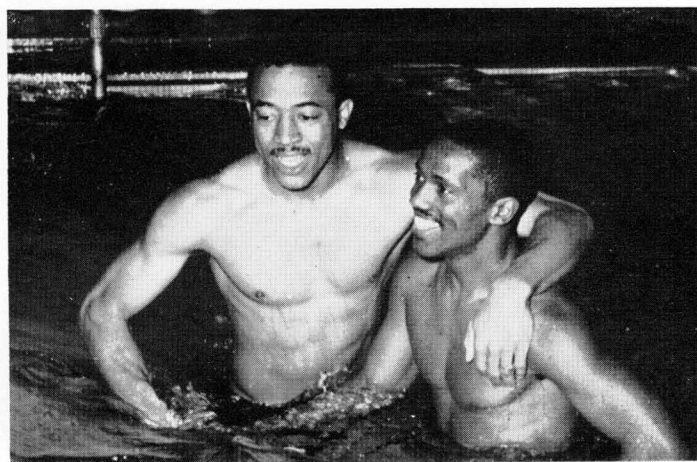

Swimming Coach Thomas H. "Friend" Hughes

Reassurance from the bench

Up and at 'em

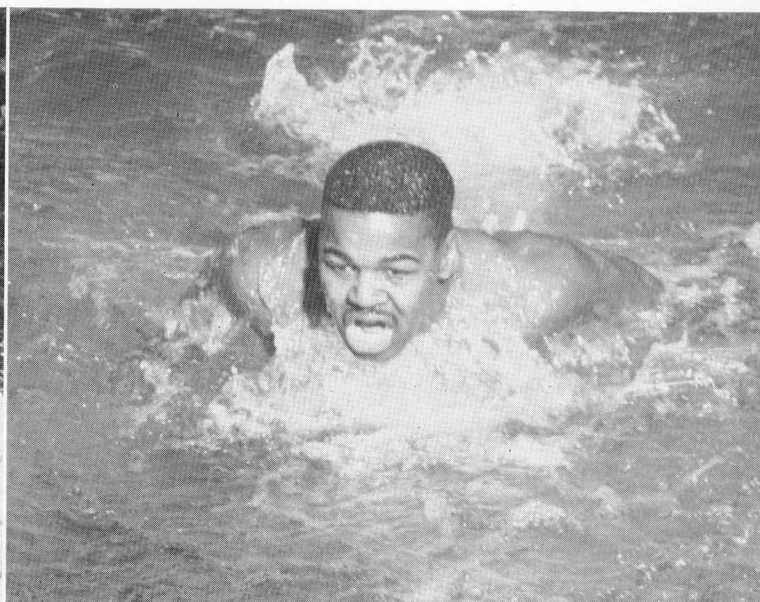

The bubby system

Back stroke ballet

"Fish" crawl

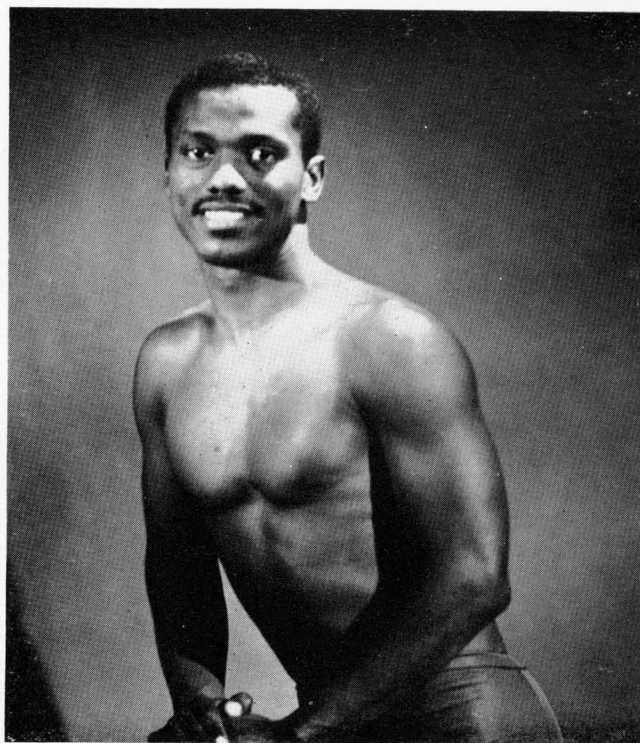

## SWIMMING

Coach Thomas H. "Friend" Hughes' four new freshmen, William "Bo" Vough, Elbert "Coyote" Lawton, George "Blind" Haslerig, and Robert "Fish" Jenkins, played a big part in filling the vacancies of six former Tigersharks.

Senior Tigershark Ronald Payne, captain and former NAIA Champion, will graduate this year. Payne has been a Tigershark for three years. The remaining Tigersharks are Roland "Peanut" Chatman, Meldon "Waco" Woods, Clyde James "Hifi" Bass, and Donald Easton.

Roland Chatman and Clyde James will represent Tennessee A & I in the NAIA Swimming Meet.

Senior Tigershark Ronald E. Payne

#### MEN'S TRACK COACH

The cause, Coach Raymond H. Kemp, the effect, Mid-Western track champions three years in succession.

## MEN'S TRACK

By GEORGE SPRIGGS

Through efficient and arduous training efforts, Coach Ray Kemp managed to harden his youthful crop of sophomores into seasoned veterans that formed the sparkling nucleus of a very well-balanced track squad. Coach Kemp had along with the scintillating sophomore performers John Moon and Ralph Boston, other dependable sophomore letter winners, Eddie Adams, Roosevelt Malone, John Stevenson, and George Spriggs. Other notable cinderpath returnees were quarter miler Ivory Suesberry, miler Phil Petrie, shot putter Bennie Clay, and dash-man Anderson Hill. Melvin Clipper, holder of the National High-School 220 yd. dash record of 20.6, headed the list of prominent freshmen thin-clads. Swift sprinter Eddie Bell and hurdler Don Coleman, and miler Ed Burley concluded the list of freshman representatives on the Men's Track Team. Half-miler Frank Johnson, milers Alvin Robinson, Joe Brown and sprinters Ed Brown and Don Linder, rounded out the remainder of the team.

The highlight of Tennessee State achievements as a team, occurred when the trashing Tigers sank their fangs into their third consecutive Mid-Western Conference title. Winning their third consecutive Mid-Western Championship, four champions emerged, Ralph Boston in the broad jump, high jump, javelin, and hurdles with John Moon annexing the 100 and 220 yd. dashes, John Stevenson winning the discus, and George Spriggs collecting the pole vaulting title.

Come on Phil! Beat "Rig," he's right behind you!

**JOHN MOON**

All-American sprinter (9.3) John (Prince) Moon, bursts through the tape to continue his two year reign as Mid-West sprint king.

**RALPH BOSTON**

A. & I.'s superman, All-American, and Olympic hopeful, bursts past the finish line and establishes a new 120 high hurdle record.

### Men's Track Team

Tennessee State University Tennis Team members, left to right, First Row: Ralph Churchwell, Mahlon Moore. Second Row: John Churchwell, Aundre Miller.

By RALPH CHURCHWELL

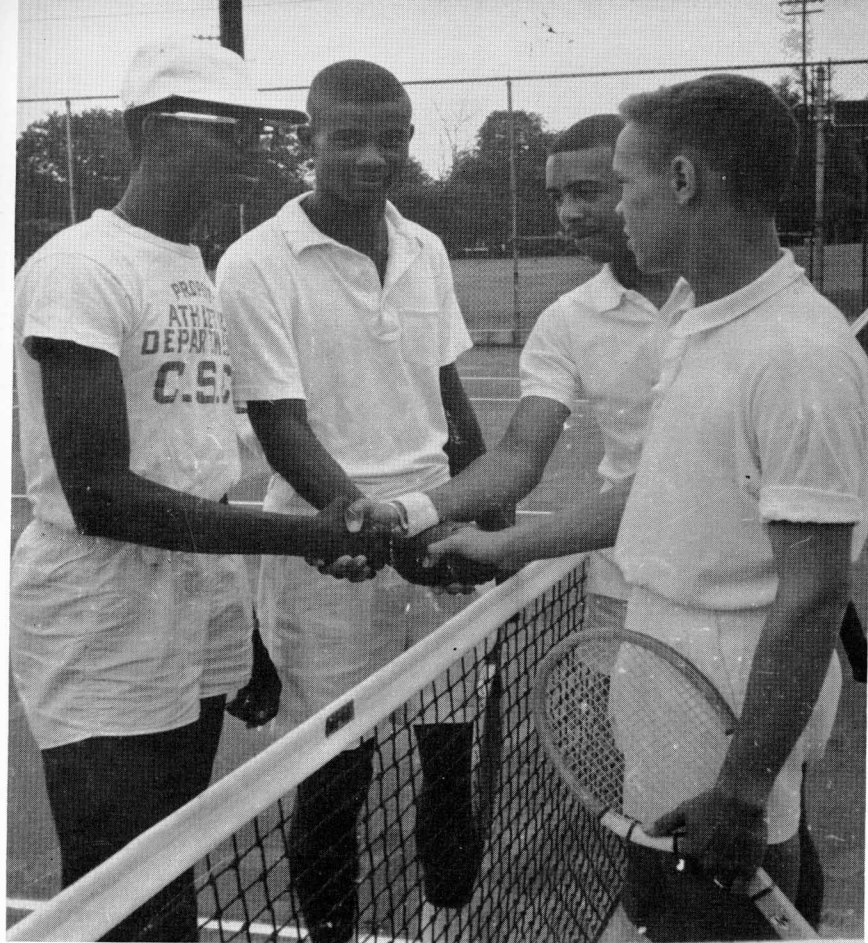

The unsung heroes of A & I, apparently are ready to come into their own. Tennis during past seasons has been overshadowed by other varsity sports. Co-captains Mahlon Moore and Ralph Churchwell coupled together and managed to smash their way through the season's schedule undefeated.

Last year marked the third consecutive time that the racketeers from Tennessee State brought the Mid-Western title back to the Tigers' campus. Tennessee's court aces are now recognized all over the nation. This year's team is really what you may call an all-star team. Here are some of the individual accomplishments:

1. Ralph Churchwell—Ranked No. 18 in the National American Tennis Association, was No. 2 in the MWAA Tournament, and was No. 2 in the men's singles in Rhode Island.
2. Mahlon Moore—Was No. 1 in the MWAA and ranked 2nd in the National Intercollegiate Tournament.
3. John Harris—Was champion in the Washington Park Tournament in Roanoke, Va., and is ranked No. 4 in the junior tournament of Roanoke, Va.
4. Donald Mayfield—Winner in doubles at MWAA.
5. Aundre Miller—Douglas Tournament champ, Chicago, Ill.
6. John Churchwell—USLTA Champ, New England, ranked junior No. 1.

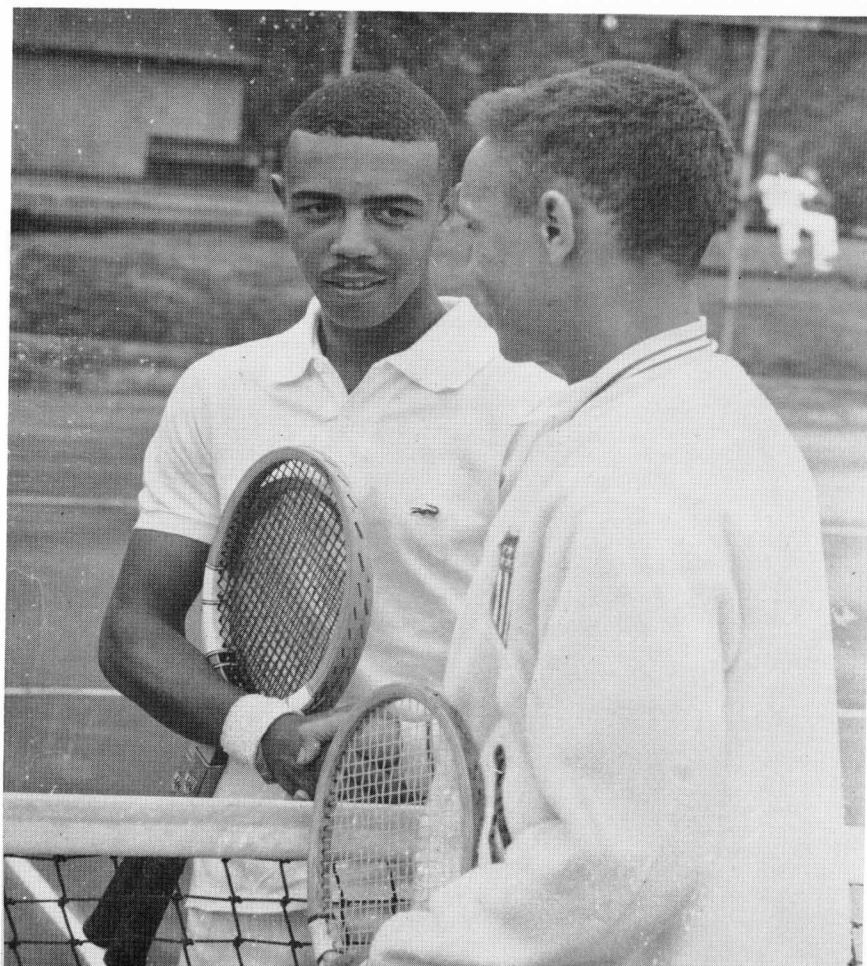

## TENNIS

Before the match with Central State College, co-captains of both teams shake on it.

In tennis competition, teammates Ralph Churchwell and Mahlon Moore often find themselves matched against each other for the championship.

Tennessee State Baseball Team

## BASEBALL

By MARCELLUS D. SLATER

Coach Samuel R. Whitman's baseball Tigers of Tennessee State University won ten games and lost five for the 1959 season. In totaling the runs during the season, the "Tigers" scored 77 runs and their opponents scored 55. The average

runs per game for Tennessee State was 5.1 runs. The average number of runs per game for all opponents was 3.7 runs.

The "Tigers" averaged 6.7 hits per game, collecting 100 hits during the fifteen game season. Their opponents collected a total of 67 hits for an average of 4.4 hits per game. Tennessee State broke even with opponents on the "walks given up" per game, each averaging 2.8. The "Tigers" team batting average was .220 while their opponents team batting average was a weak .146, a result of strong pitching.

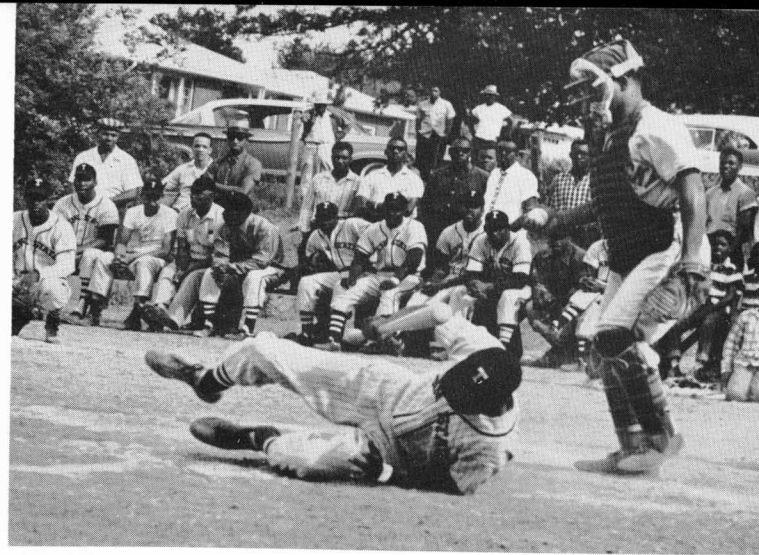

One that the pitcher didn't get by. A home run.

BASEBALL COACH SAMUEL R. WHITMON

Watch the ball. It will hit you too.

Too hot even for the catcher to handle.

A lot of power is all that's necessary.

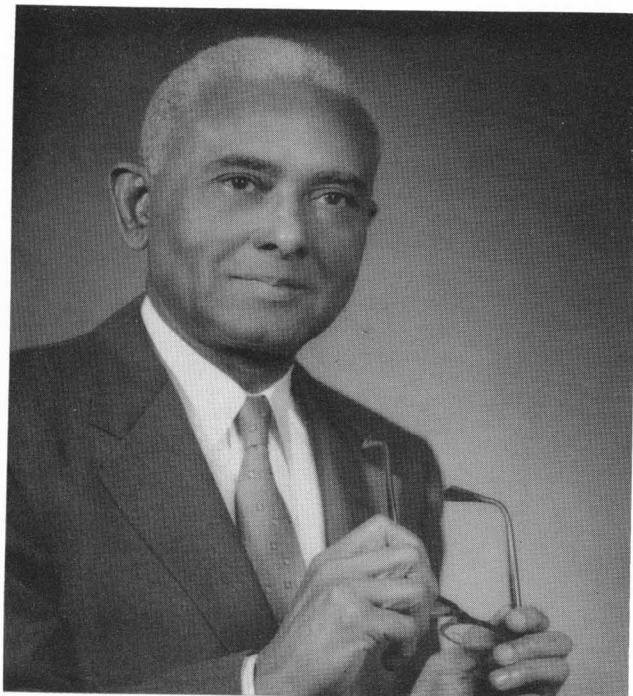

# ENGINEERING

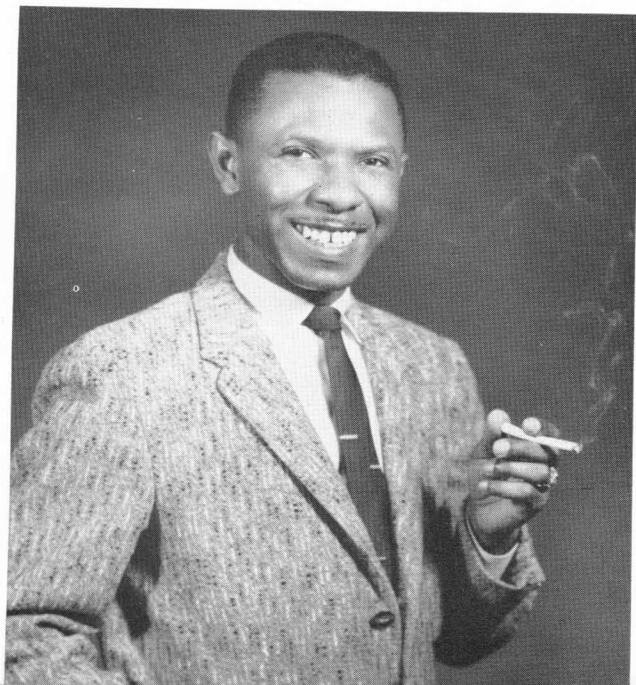

# SCHOOL OF ENGINEERING

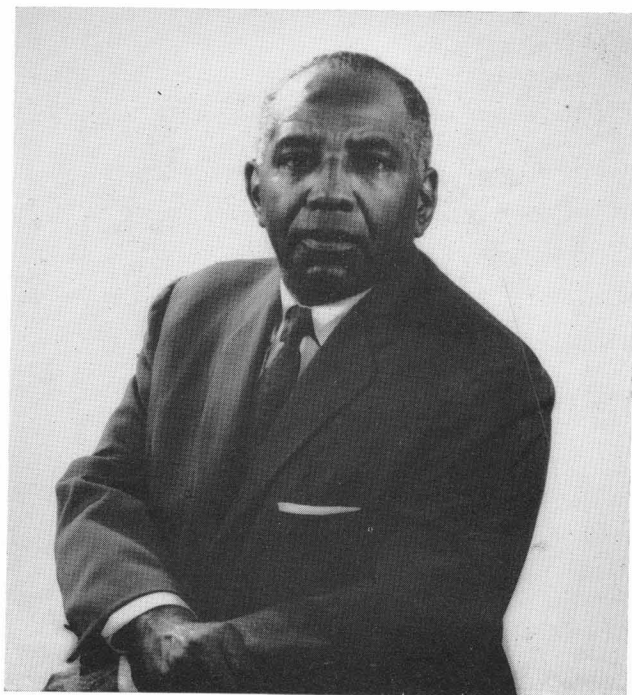

**FRED W. BRIGHT, P.E.**  
Professor and Head of the Department of Electrical Engineering

**L. QUINCY JACKSON, M.S. in Architecture**  
Registered Architect, Professor and Head of the Department of  
Architectural Engineering.

**LEON C. FARBES, M.S.**  
Head of the Department of Industrial Education

**DR. JAMES A. PARSONS**  
Professor of Metallurgical Engineering and Head of the Depart-  
ment of Mechanical Engineering.

# FACULTY . . . SCHOOL OF ENGINEERING

## First Row:

ROBERT J. ARMSTEAD, B.S., Professor of Civil Engineering.

MRS. YVONNE Y. CLARK, B.S., Assistant Professor of Mechanical Engineering.

MACON G. HINTON, M.S.E., Professor of Civil Engineering.

CLINTON E. JONES, M.S., Professor of Applied Mathematics in Engineering.

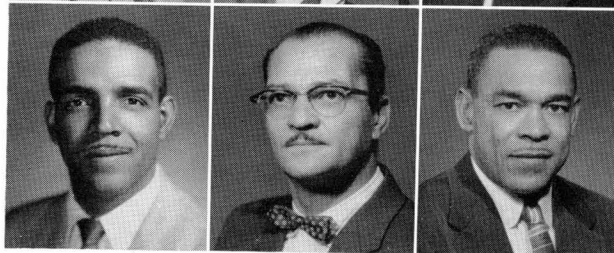

## Second Row:

ROBERT F. MANUEL, B.S., Technician in Industrial Education

GORDON MOORE, B.S., Technician in Industrial Education.

GILBERT PLEASANT, M.Ed., Assistant Professor of Industrial Education.

Courses in architectural engineering are designed to develop technical knowledge and insight into architecture.

## DEPARTMENT OF ARCHITECTURAL ENGINEERING

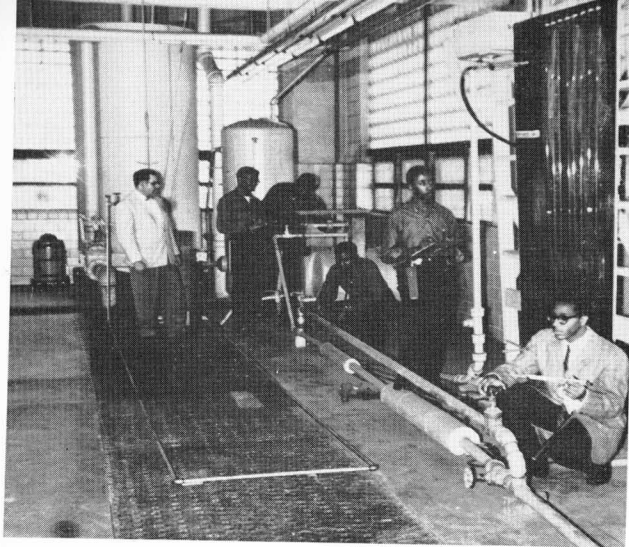

Unusual opportunities are available through close contact with the many engineering courses and research programs offered.

The architectural engineering student develops various techniques in drafting through working drawings.

Studying the fundamentals of fluid behavior in a hydraulics course the civil engineering student learns about the properties of fluids and the basic principles of fluid flow.

## DEPARTMENT OF CIVIL ENGINEERING

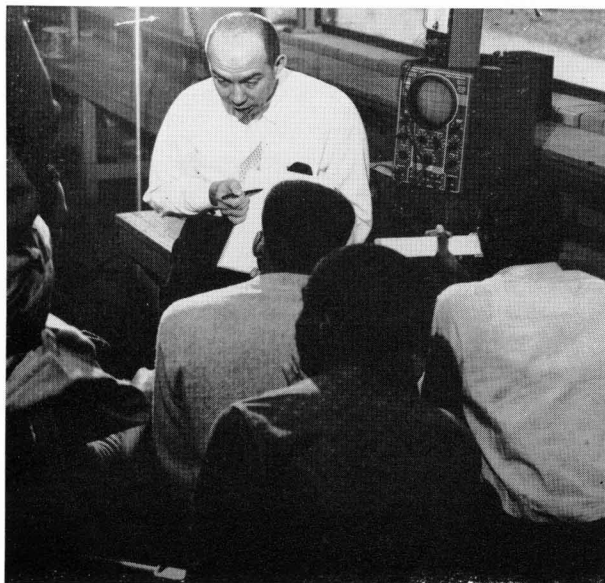

Civil engineering students become adept in the principles of soils mechanics as applied to design of foundations for buildings.

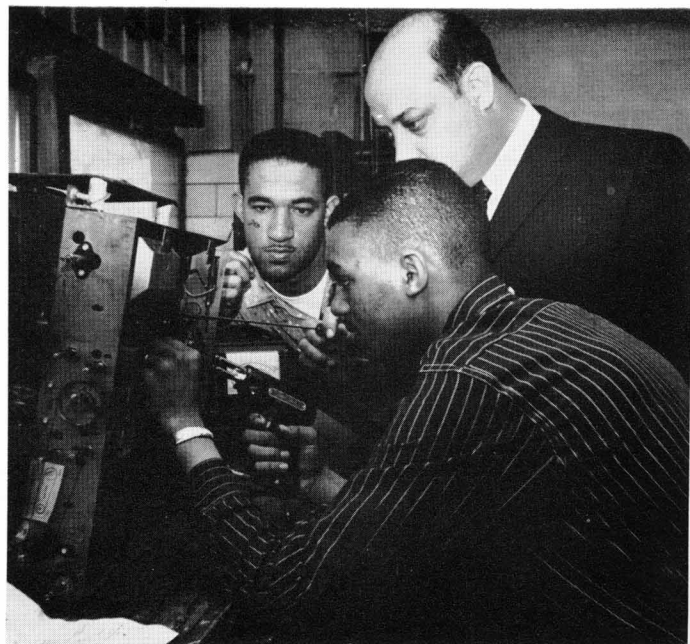

Laboratory tests to determine sheaving resistance and unconfined compression are made in the civil engineering soils laboratory.

# DEPARTMENT OF ELECTRICAL ENGINEERING

Electrical engineering courses encompass the new and rapidly developing areas of control, measurement, and calculation.

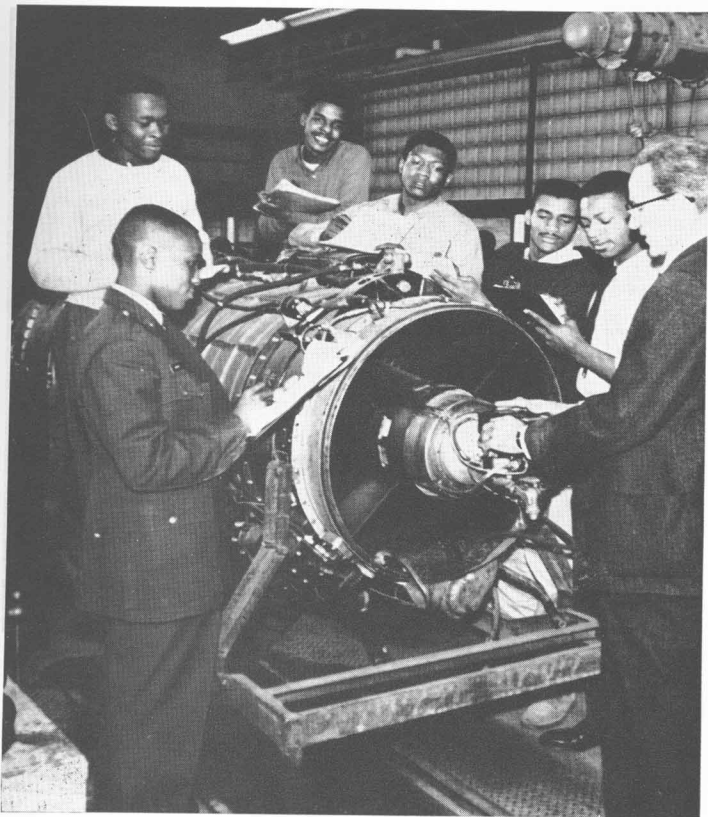

The very broad field of electrical engineering embraces the techniques and devices for the generation.

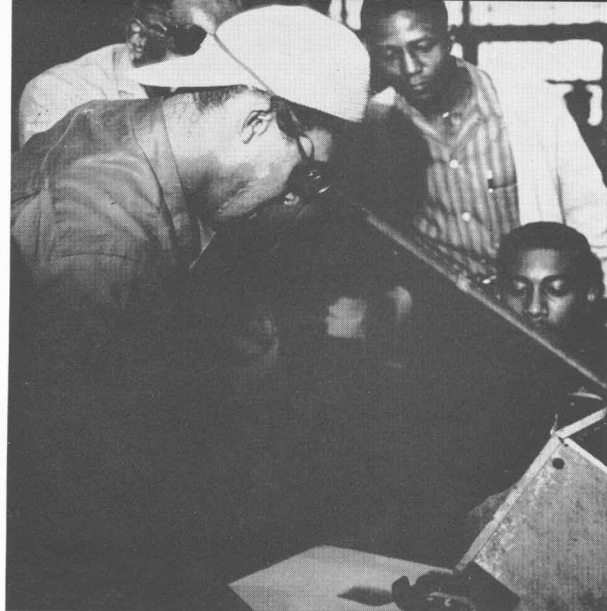

In the electronics laboratory the student gets first hand experience in the operation of various electronic circuits.

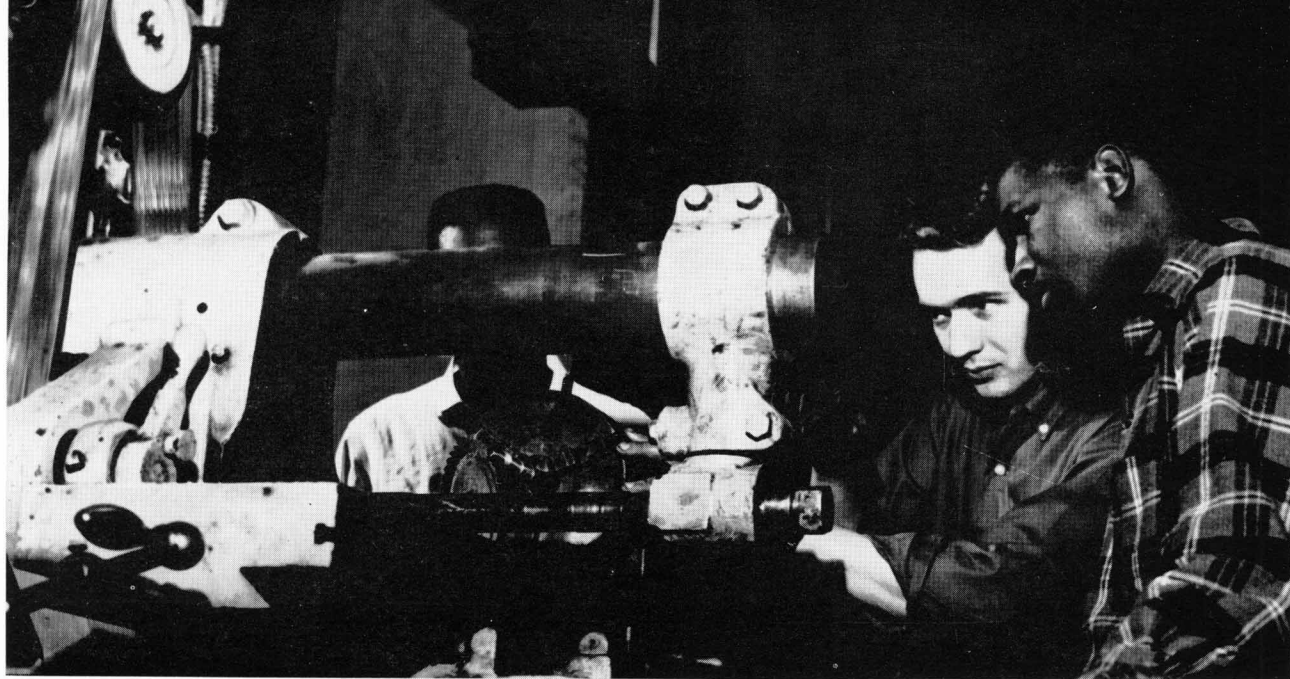

Students in an aviation education class concern themselves with the workings of an airplane motor.

The mechanical engineer is concerned with the design, construction, selection, operation, and maintenance of machines.

Lathe turning operation is learned in the industrial education department machine shop.

## DEPARTMENT OF EDUCATIONAL EDUCATION

Courses in carpentry deal with modern tools and portable machinery. Students learn the applications of surveying, framing and the use of power machines.

Presswork, typography, and linotype operation are among the skills that are developed in the university's modern print shop.

*Secretary*

GEORGE MATTHEWS  
*Treasurer*

MR. MINGO SCOTT  
*Adviser*

The veterans on campus are organized into a club to promote better scholarship among veterans, to be an intricate part of the student body and blend into the activities of the campus.

## VETERANS' CLUB

## PEPPERETTES

The Pepperettes are members of a tap dance group. They perform at halftime shows for basketball games and tournaments in the University gymnasium. During the year, the Pepperettes performed at several high school variety shows in the city. Physical Education assistant professor Peggy M. Williams choreographer for the group.

Seated, left to right: Margo Harland, Dorris Thomas, Shirbey Griffin, Eleanor Walker, Jacqueline Thurston. Standing: Jacqueline Crowder, Kay Perine, Fannie Page, Erma Taylor, Carrole Witherspoon, Eleanor Chapel, Emily Means.

Yvonne Bryant and Beatrice Temple in the throes of Yearbook Production.

Luke Perry ponders cutlines for the football section.

Betty Davis, Beatrice Temple and Shirley Thomas in some kind of discussion with the Yearbook Adviser.

## YEARBOOK STAFF SNAPS

Yvonne Roberts in the background, yearbook Editor Shirley Thomas and the "dummy" up front.

Yvonne Roberts and George Spriggs fighting to make a deadline.

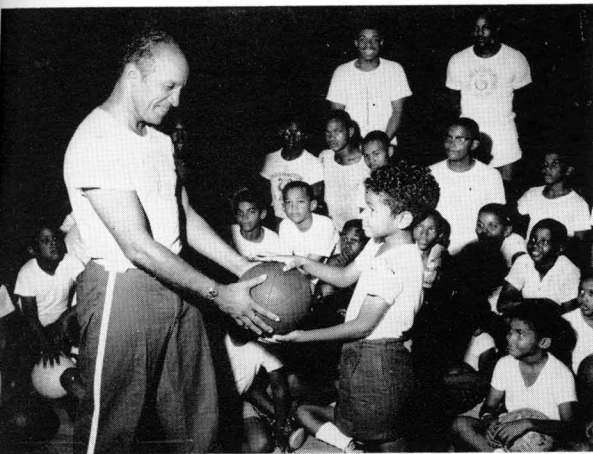

Last summer the Second Annual Girls' State encampment convened here.

The State High School Band Festival was attended by hundreds of budding musicians.

## WORKSHOPS AND CONFERENCES

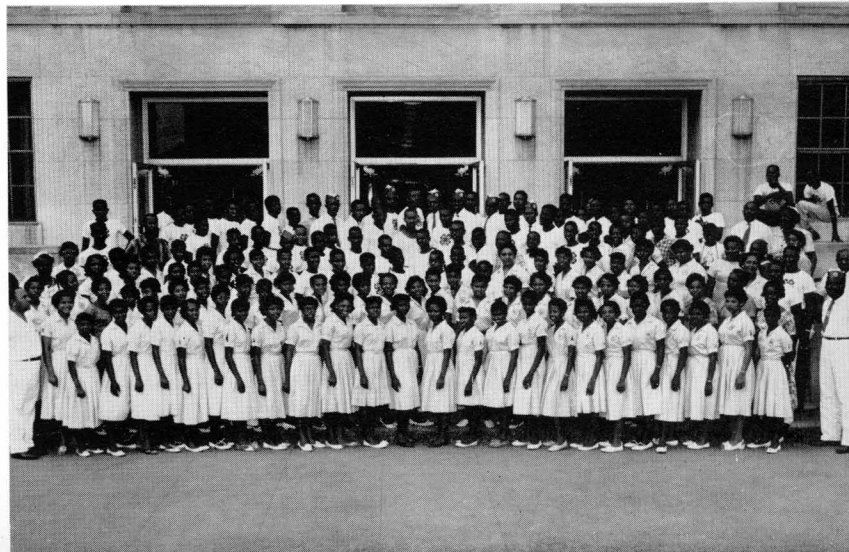

The newest workshop . . . the first annual basketball workshop for elementary and junior high school boys.

The winning quartet from the New Farmers of America Convention.

The 4-H Club Convention was a late summer affair.

Seventh Annual Boys State Convention convened on our campus in July, 1959.

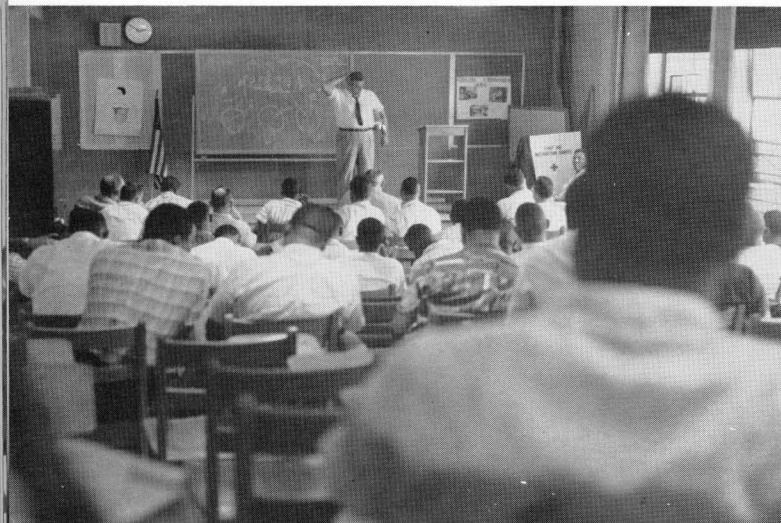

The Tennessee Education Conference meets on campus each year in April.

## WORKSHOPS AND CONFERENCES

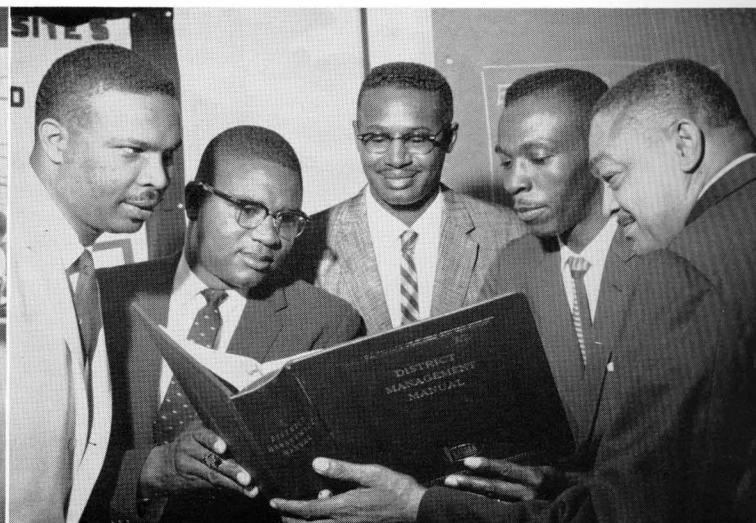

Farm and Home Institute registrants in August, 1959.

The First Annual Blue Ribbon Coaching Clinic last summer.

The Fifth Annual National Insurance Association, on campus for two weeks in July.

DANCES

# MANY FINE ARTISTS WERE ON THE DANCE CALENDAR

Funny thing . . . None of the ladies look like their ID card pictures

Some like it hot . . .

Some like it cool.

Ray Charles blew, Ray Charles tickled the Ivories, Ray Charles also sang as did the Rayettes at the Homecoming dance.

Slow dragging at the Alpha Sweetheart affair.

Mr. Esquire's big moment . . . waltzing with the President's wife . . . a looked forward to tradition.

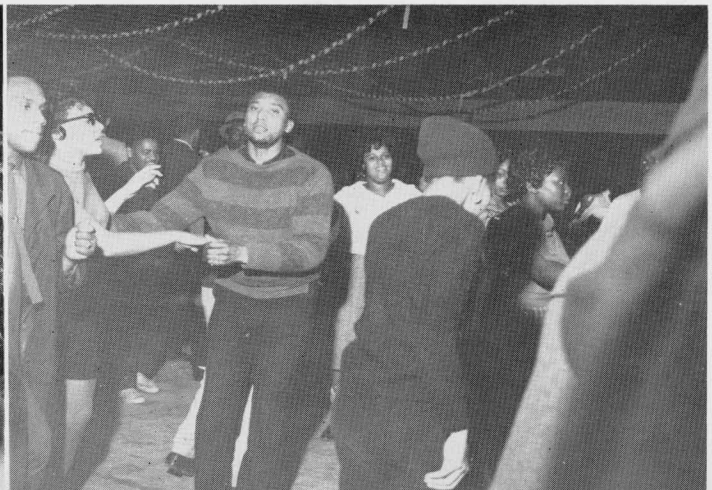

This crowd could possibly listen to the Fabulous Joe Williams sing "Everyday."

The Count of Basie graciously obliging with his autograph during a lull at the Charm-Esquire Ball.

Swinging at the K.K.K.
